Delegates to See Minister of Labor On Job Problems

Immediate Program of Public Works Viewed As Necessary—Six-Point Proposal Made

Delegates elected at a public meeting sponsored by Victoria Labor Council, C.C.L., on Tuesday night will join labor, veterans, church and probably civic representatives from Vancouver to interview Acting-Premier George S. Pearson on Saturday morning, it was stated last night by T. A. Mitchell, president of Victoria Labor Council.

They will discuss British Columbia's unemployment problems, form the nucleus of a provincial reconversion and rehabilitation committee and present a six-point program which has already been forwarded for Dominion consideration to Hon. C. D. Howe, Minister of Reconstruction.

Purpose of the Reconversion and Rehabilitation Committee will be to advise the Government on ways of establishing new industry and switching over war industry to peace production so as to provide permanent full employment, Mr. Mitchell stated.

The six-point program includes an immediate public works program, efforts to continue shipbuilding here, public ownership of transportation and power, building of new transportation equipment locally, raising of minimum unemployment insurance payment to $20 a week.

Victoria members of the committee are Mr. Mitchell, W. F. Harrison, J. D. Smith, D. E. Fitzgerald and W. T. Straith, M.L.A. Asked whether he agreed with all points in the program, Mr. Straith said: "Not necessarily, but I do think an immediate program of public works is necessary to relieve unemployment. Several of the other points are long-range proposals."

George Wilkinson, secretary of Victoria and District Trades and Labor Council (A.F.L.), said last night he had not been officially informed of the delegation, and to date no delegates had been appointed locally from his council.

From Europe Day by Day—

THE TIMES, London

News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Province.

(Copyright, 1945, by Southam Co.)

LONDON, Nov. 28.—The world government must come but not even the man in the street, let alone the statesman, seriously believes it can come now, says The Times editorially today.

The end of the national state is not yet. Obstacles in the way of world government at the present time are not merely psychological, though it is plain that fear and distrust still have to be removed and more volatile passions may still require to have their fling throughout the East and in many parts of Europe.

The material obstacles are even more formidable. They derive from the fact that various parts of the habitable earth are at diverse levels of social and economic development. The necessity for world unity and world order remains, it is true, but may there not be every advantage in a realistic acceptance of the fact that neither human society nor the individual human being is yet ripe for world government?

Some part of the national sovereignty needs to be merged into a greater sovereignty, but the idea of the elected world assembly controlling all resources of science in order to forestall aggression surely takes too little count of diverse political training of the world's nations. Only good can come from recognizing the limitations imposed on a practical concept of world authority by that diversity.

Concluding a series of articles on the situation in Germany, The Times diplomatic correspondent says that in each zone order is appearing out of chaos.

The people sobered, apprehensive, still bemused for the most part, acknowledging the lost war, yet largely incomprehending what the war cost others, are quick even now to blame others.

Political leaders are beginning to appear, those in the East strongly entrenched, those in the West still disorganized and largely unknown. Keen rivalries over the place of Socialism and the measure of Socialism is developing.

Much in the whole scene is still shifting and shapeless.

Five-Star Admiral

ADMIRAL WILLIAM F. HALSEY

President Truman yesterday nominated Admiral William F. Halsey, Jr., for promotion to the five-star rank of Admiral of the Fleet. Admiral Halsey recently relinquished command of the United States Third Fleet. He said that at the time he intended to retire.

Victoria's Bid Before United Nations Group

A site near Victoria would be an ideal gathering place for United Nations representatives, Maj. H. Cuthbert Holmes, president of Victoria Chamber of Commerce, asserted last night when asked to comment on a London report that Vancouver Island and Quebec City had been placed before the United Nations preparatory commission as possible sites for the permanent home of United Nations organizations.

Nineteen United States cities and three areas along the Canadian-American border were also under consideration, the dispatch stated.

The Chamber of Commerce sent forward an application several months ago, Maj. Holmes said. There were several geographical and political reasons why Vancouver Island and Victoria in particular would be ideal, he added.

It was conveniently near to any part of the United States, within reach of Russia, and not very far in air miles from Europe, he pointed out. Also, the Pacific Coast faces the Orient. Politically and economically Canada stands midway between two great democracies, Great Britain and the United States, and was qualified to interpret one to another.

It was not considered advisable for the seat of an international council to be in the territory of a large power, or in a very large city, yet it had to be within reach of sea, rail and air transport. Victoria had all of these, with climatic advantages as well, Maj. Holmes stressed.

A sub-committee of the United Nations Commission is to be set up to hear individual applications from each of the 22 proposed sites. No one has yet been appointed as Vancouver Island's advocate, but the name of R. W. Mayhew, M.P., has been mentioned.

Five Men Killed In Plane Crash

AUBURN, Calif., Nov. 28 (AP).—Five men were killed and 18 injured in the crash of a C-47 army transport plane bound from Palm Springs, Calif., to McClellan Field, Sacramento, in the Mount Vernon district near here.

To Replace Plates On Rammed Frigate

Three large plates will be replaced on the frigate H.M.C.S. Lasalle which sustained considerable damage last Monday morning when another frigate, H.M.C.S. Matane, rammed her alongside a jetty at H.M.C. Dockyard.

The incident occurred shortly after 10 a.m. during a heavy gale.

Repair work on the Lasalle is being handled by Yarrows Limited. It is expected the job will be completed in the near future.

R.C.N. officers declined yesterday to discuss the cause of the collision or reveal if an inquiry had been held at H.M.C. Dockyard.

Ford Strikers To Vote Today

WINDSOR, Ont., Nov. 28 (CP).—Members of Local 200 United Automobile Workers (C.I.O.) will vote in a mass meeting here early tomorrow on whether they wish to return to work under a Federal Government plan for settlement of the 78-day-old union security strike at Ford Motor Company of Canada.

Two Votes Uphold King Government

Non-Confidence Moves Defeated at Ottawa

OTTAWA, Nov. 28 (CP).—In a quick windup of the formal budget debate, the Commons tonight voted 141-47 against a Progressive Conservative motion of non-confidence in the Government.

A few minutes earlier the House had rejected by a vote of 162-27 a C.C.F. sub-amendment to the Progressive Conservative motion.

The C.C.F. and Social Credit groups voted with the Government against the Progressive Conservative motion.

Progressive Conservative and Social Credit members joined with the Government in defeating the C.C.F. motion.

The sub-amendment moved last night by M. J. Coldwell, C.C.F. leader, expressed regret that the Government had not proposed an effective full-employment plan which would require the use of our national credit in terms of public need to make possible a large-scale investment program, the public reconversion of war industries for peacetime needs, the public development of new industries, of scientific research and of our natural resources.

It also regretted that no satisfactory policy had been advanced for the elimination of extravagant expenditures and no program outlined for the expansion of essential expenditures for social security and purchasing power needs.

Similar regret was expressed that tax relief had gone to corporations and high income earners rather than to those in the lower income brackets.

The sub-amendment disposed of, the House immediately began dividing on the Progressive Conservative motion of want-of-confidence in the Government.

Body Found In Fishpool

Saanich police discovered the body of Robert Alexander Scott, 72, in the fish pool of his Jasmine Avenue home yesterday morning.

They believe that Mr. Scott, a veteran of the Great War, may have gone into his garden early in the morning and suffered a heart attack. An inquest will be held.

Constable Jack Hamilton saw the man's head and shoulders in the four-foot pool. He was clad in pajamas.

Will Resume Inquest Today

The inquest into the death of 14-year-old Mylanwy (Dot) Sanders resumes this morning at 10 a.m. at Sands Mortuary Limited.

There was no indication last night whether witnesses would be called to present a lengthy testimony before the six-man jury and Dr. E. C. Hart, coroner. There is a possibility of a second adjournment.

Original sitting of the inquest two weeks ago lasted for approximately ten minutes as the jury was sworn in, Sergeant Eric Elwell identified the body of the girl, and two witnesses told of the circumstances regarding the finding of the body near Burnside and Orange Roads.

Mayor George Backs Idea Of Metropolitan Police

Support for the principle of a metropolitan police force was voiced by Mayor Percy E. George, chairman of the police commission, yesterday.

The City Council of 1946 must have an active street lighting program and such a program will be urged by him, the Mayor stated.

Pruning of trees and relocation of lights to the centre of the street were advocated as steps towards an improved street lighting system here by Mayor George.

"When you have four police departments sparingly correlated in an area that is so closely knit, it is natural to assume that a far more efficient carrying out of police duties could be found under amalgamation," Mayor George declared.

"The entire amalgamation question comes back to the increased efficiency and reduced overhead of central administration," the Mayor said.

Victoria is responsible for policing only its own area, according to Mayor George, but the continual influx of motorists into the city greatly increased the burden of the traffic problem that must be borne by the city.

Mayor George also pointed out that the fact that there is only one large police force in Greater Victoria placed the burden of specialized services on this larger branch, although some of the benefits were felt outside the city limits.

"A large administration bureau with an investigation department and complete record facilities could be used for the entire Greater Victoria area as cheaply as for Victoria alone," Mayor George said.

"Amalgamation would provide more efficient and equitable policing of the entire area," he said.

He stressed that in amalgamation more could be put into development of lighting facilities and less into administration, if there were one administration for all four municipalities.

A metropolitan fire department, amalgamated health services and amalgamation of educational facilities also would bring benefit to the four communities, Mayor George stated.

Gin "Bonus" Two Bottles In December

British Columbia residents will be able to buy an additional bottle of gin next month, W. F. Kennedy, chairman of the Liquor Control Board, announced yesterday.

The basic ration continues at 26 ounces of spirits, or four dozen pints of beer, or two quarts of imported wine, or one gallon of domestic wine.

In addition to selection of one of the foregoing amounts permit holders will be able to take two "bonus" bottles of gin and a "bonus" dozen of ale. If it is available, a bottle of Australian sherry may be substituted for the "bonus" ale.

Mr. Kennedy stated that if champagne arrived in time purchasers could obtain it as imported wine and would be restricted to two bottles the same as for other imported wine. A quantity of champagne recently reached Eastern Canada from overseas.

Reeves and Others Endorse Proposals For One Greater Victoria Police Force

General endorsation of a plan for a unified police force in Greater Victoria and improvement of street lighting came from civic and community leaders yesterday.

Greater efficiency and training of specialized criminal investigators were seen as advantages which might result from adoption of a metropolitan police force under a single head.

Better lighting was held to be an important factor in preventing the occurrence of crimes.

Mayor Percy E. George claimed that unification of police services was in line with the recent trend toward amalgamation in other services, and that many benefits might be expected.

Reeve W. L. Woodhouse, Oak Bay, who is also chairman of that police commission, declared: "I am in hearty accord with many of the issues and suggestions presented." He also stated he was "very much in favor" of an amalgamated police force and stressed the need for schooling of all policemen.

He said he was in complete accord with The Daily Colonist's condemnation of improper and insufficient street lighting and mentioned that postwar plans for Oak Bay included significant developments in that field.

Commenting on a series of stories printed by The Daily Colonist in Wednesday's issue, Reeve Woodhouse said: "It is something like this that has to be done to awaken the people. It is obvious that the city with the best police force has the least crime."

Reeve Thomas Hadfield, Esquimalt, asserted: "A unified police force would ultimately be to the advantage of Greater Victoria. At present the whole trend is toward amalgamation, and police administration [illegible] the [illegible] important factor in this trend."

Reeve E. C. Warren, Saanich, had no comment to make.

Major H. C. Holmes, president of the Chamber of Commerce, said: "I have been in favor of amalgamation of services for some time. From the little I know of it I would say that the police would prove more efficient as a metropolitan unit."

Forrest L. Shaw, former city solicitor and member of the Greater Victoria Amalgamation Committee, declared: "I agree thoroughly with the articles published in The Daily Colonist. I think a unified police force would make for greater efficiency and co-ordination, and would ensure that younger men in the force would get adequate training.

"I think better lighting would go a long way to stamp out what crime we have," he added.

Charles Chivers, president of the Greater Victoria Amalgamation Committee, thought the police had done a good job with the present facilities.

"The whole police system needs co-ordinating into a metropolitan unit," he added. "More mechanical equipment is needed and fewer men on point duty. With more prowler cars, better coverage could be given to outlying areas.

"Street lights certainly do need improvement," Mr. Chivers said. "There are many streets where it is easy for a criminal contemplating a holdup to lurk."

George Wilkinson, secretary of the Victoria and District Trades and Labor Council, asserted: "The city police have done a good job in difficult times with the staff they have available, but there is little doubt that the idea of a metropolitan police force has merit and would unquestionably prove more efficient."

Death Sentence For John Amery

LONDON, Nov. 28 (CP).—John Amery, son of the former Secretary of State for India, was sentenced to death today after he pleaded guilty to charges of high treason and treachery. The entire proceedings took only six minutes.

Son of Leopold Amery, former Secretary of State for India, Amery, 33, was accused of broadcasting anti-Semitic and anti-Russian propaganda over the German radio and of taking part in Nazi attempts to form a British unit to fight the Russians on the Eastern Front.

Issue Ultimatum To Indonesians

BATAVIA, Nov. 28 (AP).—British authorities at Bandoeng, replying to an Indonesian request for a truce, issued an ultimatum today that any Indonesian found in the northern half of the Summer capital after noon tomorrow would be shot.

The ultimatum was announced to the Indonesian governor of West Java when he appeared at British headquarters under a white flag and asked the British commanders to halt military actions at Bandoeng.

The governor said he was not in a position to assent or make counter-proposals, but promised to confer with other Indonesian leaders on the terms.

Disorders at Bandoeng imperilled more than 60,000 Allied internees from various parts of Western Java who have been concentrated in the Summer capital, awaiting evacuation.

Many were moved into the centre of the city last week from outlying camps.

Churchill Says Labor Victory Was Disaster

Former Prime Minister Forecasts Quarrels Within Five Years—First Major Attacks

LONDON, Nov. 28 (CP).—A growling Winston Churchill, for the first time since the Conservative defeat in the general election of last July, unleashed today his full fury at the Labor Government and described Britain as "hag-ridden by Socialist doctrinaires."

Conservative party delegates from many parts of the United Kingdom heard the Opposition leader predict that during the next few years "we shall come to fundamental quarrels in this country." He said the issue would be "the people versus the Socialists."

Mr. Churchill's address to the Central Council of Conservative Associations was the first phase of the party's declared offensive against the Government. The next stage will be a denunciation of Labor policies in the House of Commons, where a Conservative vote of censure is to be debated in a few days.

Thus far since the election, Conservative criticism of Labor policies has not been severe. Behind the scathing Churchill speech today is an accumulation of Tory wrath at Labor tactics in the House, where Herbert Morrison, Lord President of the Council, taunted the Opposition ten days ago with failing to make use of opportunities for debate. Whatever Mr. Churchill's tactics were in letting the Government off easily during its first months in office they now have been abandoned.

Although suffering from a cough, the Opposition leader spoke with a vigor belying his 71 years and party delegates heard him with enthusiasm. He called the Labor victory in July a "disaster" to the country and urged the party to seek unfalteringly the right again to guide the destiny of Britain "and bring her back to those summits from which she can influence the destinies of the world."

In contrast to Labor contentions that the new Government will lead to a happier age Mr. Churchill saw the country "harrassed, harried, hampered, tied down and stifled for vaguely-thought-out and physically-unobtainable plans for a Socialist future."

The Socialists were trying to destroy the purchasing power of the country when the remedy was abundance with the shops filled with what the public wanted, said Mr. Churchill.

Ask Probe Of Hurley's Accusations

U.S. Foreign Policy May Be Scrutinized

WASHINGTON, Nov. 28 (AP).—Demands for an investigation of United States foreign policy swept Capitol Hill today as legislators debated charges levelled by Maj.-Gen. Patrick J. Hurley against some professional diplomats.

Meanwhile, Gen. George C. Marshall slipped quietly into the White House for a conference with President Truman and State Secretary Byrnes prior to leaving probably tomorrow for China to replace Gen. Hurley, who resigned as ambassador yesterday.

Gen. Hurley charged career diplomats with undermining American policy in China by backing Communists or "Imperialists" instead of democracy and unity.

Clamor for Congressional investigations of Gen. Hurley's charges arose in both Senate and House, with Republicans leading the demands. Chairman Tom Connally (Dem., Texas) of the Senate Foreign Relations Committee protested that "this is no time for partisan politics . . . this is not the time to inject into foreign affairs matters of political expediency."

Senator Kenneth Wherry (Rep., Neb.), saying that the conduct of American diplomats as reported by Gen. Hurley "skirts the edge of treason," had introduced a resolution calling for a special committee to investigate the whole course of United States foreign policy and the State Department. Sen. Wherry declared: "We need a housecleaning in the State Department."

Speaking in the National Press Club auditorium here, Gen. Hurley today asserted British, French and Dutch "Imperialists" in Asia were ham-stringing professed Allied policy of helping China establish "a free, united, democratic government."

CHUNGKING, Nov. 28 (AP).—General Marshall's diplomatic assignment to Chungking was "well received" officially today and foreign quarters saw it as a beam of hope breaking through the darkening clouds of civil war.

The selection of a man of the stature of the former United States Army chief of staff as President Truman's special envoy created a profound impression in Chungking.

Lt.-Gen. Albert C. Wedemeyer, commander of United States forces in China, flew to Chungking from Shanghai for important conversations with Generalissimo Chiang Kai-shek, presumably on Gen. Marshall's impending visit to China.

Vernon Barrister To Be Candidate

C. W. Morrow, of Vernon, prominent barrister there and Liberal candidate for Yale constituency in the 1940 Federal election, will seek nomination as Coalition standard bearer in the provincial by-election in North Okanagan riding December 19.

A joint Liberal and Progressive Conservative nominating convention will be held at Vernon, December 6.

No other names have been advanced for nomination although it has been rumored that former Education Minister H. G. T. Perry, who was defeated in the October 25 general election in Fort George constituency, may be selected as Coalition candidate. His candidature is now considered unlikely.

The late Dr. K. C. MacDonald, Minister of Agriculture, was re-elected Coalition member last October 25. His death a week ago necessitated the by-election.

No announcement has come from the C.C.F. or Social Credit Association so far regarding nomination of candidates. Nomination day is December 12.

160 Jews Arrested In Tel Aviv Strife

JERUSALEM, Nov. 28 (CP).—British Military Headquarters said today 160 Jews were being held for trial on charges of obstruction as the result of recent disturbances along the Palestine coast north of Tel Aviv.

Foresees 7,000 Jobless Here Next Summer

Unemployment figures for Victoria may reach 7,000 by next Summer, Maj. Carl Fallas, Canadian Legion zone representative, told Esquimalt Dockyard Branch No. 172, Canadian Legion, at a meeting in new quarters at 622 Admirals Road last night.

Maj. Fallas stated that including recent lay-offs from the Victoria Machinery Depot Co., Ltd., there were now 3,000 unemployed in the city, of whom 700 were veterans. He added that 4,000 veterans have been discharged here since May and that another 4,000 men had still to be discharged. Nearly 5,000 veterans would be unemployed by next Summer, he estimated.

Charging that the seriousness of the situation was not being recognized, Maj. Fallas declared: "The average comfortable citizen is still thinking through his pocket."

The housing situation for veterans was equally serious, he pointed out.

A resolution stating that considerable money had been spent on refitting the old drydock at H.M.C. Dockyard, and asking that the drydock be maintained and operated, was passed by the meeting.

Dwight Davis Dies

WASHINGTON, Nov. 28 (AP).—Dwight F. Davis, 66, Secretary of War in the Coolidge Administration, died at his home tonight after a six-month illness.

American Efforts to Rebuild Germany Nearing Breakdown

WASHINGTON, Nov. 28 (AP)—President Truman turned over to the Secretaries of State, War and Navy today a report from Byron Price that American efforts to help rebuild Germany into a peaceful state are facing possible failure.

Mr. Price advanced eight sugges- [illegible] and Mr. Truman told Secretaries Byrnes, Patterson and Forrestal to give them careful consideration "with a view to taking whatever joint action may be indicated."

Mr. Price, former censorship chief who spent ten weeks in Germany as a special observer for the President, led off his recommendations with a proposal that the United States use its full force and prestige to break a four-power deadlock in the Allied Control Council at Berlin in order that Germany may be treated as an economic unit.

All attempts thus far to accomplish this and to set up national operation of German railways, postal service and other facilities have failed, he said, "due almost entirely to the rigid opposition of the French."

Mr. Price said that today the German people "are paying in kind for the unparalleled miseries and cruelties for which they are responsible."

Yet they are holding on to "old and new hatreds with mounting bitterness," they are listening "for the voice of whatever type of new leader desperation may produce," they are confused by American political policies, and while they realize they lost the war decisively they have absolutely no sense of collective German guilt.

Here in brief, is what he proposed in his 5,000-word report:

1. A diplomatic crackdown on France.

2. A carefully planned approach to the creation of a civilian control to replace military control in the American zone.

3. Orders from Washington to the American Military Government in Germany should be revised to give the administrators greater leeway in action.

4. Washington should approve raising the basic German food ration from 1,550 calories daily to 2,000 calories.

5. The rate of denazification of essential services should be left up to the local military government.

6. Propaganda in the American zone should be given an increasingly positive character "in contrast to the long continued attempt to impress the Germans of their collective guilt, which from now on will do more harm than good."

7. American forces in Germany should be maintained strong and alert against "whatever threat of real disorder and rebellion may now lie buried beneath the surface."

[illegible] that should be greatly speeded up, because delays lower the respect of the German people."

Work Stoppage to Speed Men Home

NEW YORK, Nov. 28 (AP)—Joseph Curran, president of the National Maritime Union (C.I.O.), announced today that approximately 90,000 men would be involved in a 24-hour work stoppage starting at 8 a.m., E.S.T., Monday, in protest against what he called delays in bringing servicemen home from overseas.

Mr. Curran said the unions and memberships affected would be the N.M.U., 35,000; International Longshoremen and Warehousemen's Union (C.I.O.), 25,000; Marine Firemen, Oilers and Water Tenders (Ind.), 6,000; American Communications Association (C.I.O.), 4,000; Marine Cooks and Stewards Association (C.I.O.), 6,000; Inland Boatmen's Union (C.I.O.), 2,000; Masters, Mates and Pilots Association (A.F.L.), 6,000, and Marine Engineers (C.I.O.), 4,000.

Earlier Harry Bridges, head of the Longshoremen's Union, said in a telegram to the War Shipping Administration that members of his union on the West Coast would cease loading on December 1 ships diverted from troop-carrying to commercial purposes.

May Try Hirohito As War Criminal

WASHINGTON, Nov. 28 (AP)—Whether Emperor Hirohito will be tried as a war criminal will be decided after Joseph B. Keenan, chief prosecutor of the Japanese war criminals, reaches Tokio, Mr. Keenan said in a broadcast tonight.

Former Premier Tojo and his associates and predecessors will find themselves in the prisoners' docket, Mr. Keenan said.

Mr. Keenan and his assistants will leave Saturday for Japan.

Mattress for Cow Vision More Milk

INDIANAPOLIS, Nov. 28 (AP).—The happy day when even cows can get a good night's sleep on sponge-rubber mattresses was foreseen today by E. B. Newton, director of technical service of the Goodrich Research Laboratories. He predicted in an address that the relief the [illegible] mattresses would give to tired bovine bones would be reflected in increased milk production.

Farm Labor Offices Close, No Jobs Now

VANCOUVER, Nov. 28 (CP).—Twenty-three employment offices of Emergency Farm Labor Service will close immediately for the Winter season, William McGillivray, director of the service, announced here yesterday.

Only Vancouver, Victoria, New Westminster and Mission offices will remain open for administrative purposes. The shutdown is the result of little or no farm employment available, Mr. McGillivray said.

He will leave tomorrow for Ottawa where he will take part in the Dominion-Provincial Conference on agriculture.

Council Supports Employment Issue

Resolutions asking that steps be taken to alleviate the unemployment situation in this area, from the Citizens' Rehabilitation Council of Victoria and Britannia Branch, Canadian Legion, were endorsed last night at a meeting of the Oak Bay council.

Telegrams in support of the resolutions will be sent to R. W. Mayhew, M.P., and Premier John Hart.

The resolution of the Citizens' Rehabilitation Council urged that Ottawa release material for the completion of homes already under construction in Greater Victoria. Reeve W. L. Woodhouse said postwar projects of Oak Bay could be commenced almost immediately if materials were available.

The Canadian Legion communication was primarily concerned with the unemployment situation as it applied to returned men. The resolution maintained it was the responsibility of the Federal Government to provide employment.

Councillors noted many returned men had joined the services immediately after leaving school, and were now facing an uncertain future.

Necessary improvements to the municipal water system were outlined in a preliminary brief sent to the council by F. C. Stewart, engineer, who made a detailed study of the system.

The council approved a recommendation of the police commission that another constable be added to the municipal police force, bringing the total number of constables to eight.

A. O. Findlay was appointed returning officer, and D. H. Hart, deputy returning officer, for the December municipal elections.

New C.B.C. Chief

First full-time chairman of the C.B.C., A. Davidson Dunton, brings to his new post wide and successful executive experience.

Still in his thirties, he has won a reputation as one of Canada's leading newspapermen. He was editor of The Montreal Standard for four years and general manager of Canada's Wartime Information Board for three years prior to his recent C.B.C. appointment.

Educated in Canada, England, and the Continent, Mr. Dunton has an interesting connection with British Columbia. His wife is the former Kathleen Bingay, of Trail and Vancouver, who was a well-known lawyer before her marriage.

Expand Dominion Fisheries, More Boats in Pacific Area

OTTAWA, Nov. 28 (CP).—Canada's Department of Fisheries has been making plans for a considerable expansion of its field service on both coasts and they are under study by Government authorities, it was learned here today.

Their effect, it is understood, would be the appointment of an increased number of inspectors and other officials in the Maritime Provinces and British Columbia. Presumably, the civil service preference for veterans would govern the appointments where possible or feasible.

Meanwhile, steps already have been taken to put the service on a sound peacetime footing.

The Pacific Coast fisheries patrol service has been augmented by addition of three more boats, roughly 60-footers, which were obtained from the R.C.A.F. after seeing service in British Columbia waters during the war.

Addition of three more boats of the same general type but slightly larger is another possibility for strengthening a patrol [illegible] that is mainly concerned with the enforcement of fisheries regulations in shore water.

Plans are under way as well to bring the Pacific Coast fisheries protection fleet, charged with safeguarding Canadian rights in territorial waters, back to prewar strength with the addition of a third vessel. Until recently it was two below strength but one vessel which had been taken over for naval purposes was returned.

Power Plants for B.C. Rural Areas

VANCOUVER, Nov. 28 (CP).—Rural districts in British Columbia may expect ten or 15 modern Diesel power plants within the next year, according to B. R. Weston, chairman of the British Columbia Power Commission, speaking to the annual meeting of the British Columbia Federation of Agriculture here today.

"We (the power commission) believe that electricity can be provided to every established community in the province," he stated, "and service will be improved for 15,000 consumers and extended to 10,000 more within the next few years at an economical rate."

There are four makeshift plants already in operation since the commission was founded last April, he told the meeting, and other plants are under construction.

A vast power project to service the Okanagan district is under consideration.

Among resolutions passed was one urging the Provincial Government to take whatever action is necessary in areas served by municipal plants which are not prepared to extend their services beyond their present territory.

Heads Co-operatives

WINNIPEG, Nov. 28 (CP).—Ralph Staples, of Toronto, today was elected president of the Canadian Co-operative Union, succeeding W. C. Good, 69-year-old Brantford, Ont., farmer who retired after holding the position since the union's formation 24 years ago. Mr. Good was named honorary president.

Among those elected national directors was L. A. Currie of Cloverdale, B.C.

Canadian Force to Take Over Alaska Highway in New Year

OTTAWA, Nov. 28 (CP)—Maj.-Gen. Hugh Young, D.S.O., quartermaster-general of the Canadian Army, at a press conference today made announcements on a wide range of topics from the future of the Alaskan Highway to the repatriation program and turkeys for troops overseas.

He announced:

1. Advance parties of the Canadian interim force will move into the Alaska Highway area, January 15, to prepare for the arrival of the main force, April 1, who will maintain the Northern artery as a practical training ground for various elements of the active peacetime army.

2. Repatriation of Canadian casualties from Europe will be completed with the arrival of the Lady [illegible] repatriation of all but the 32,000 men in the occupation army and air force will be completed by April 20, and repatriation of war brides and dependents will be completed by August or September.

3. About 140,000 army personnel and 37,000 air force personnel have been repatriated between "V-E" Day, May 8, and November 24, leaving 118,000 army personnel and 10,000 air force personnel still to be repatriated. These figures do not include the 22,000 army and 10,000 air force personnel in the continuing occupation forces. Neither do they include navy personnel who are repatriated on their own ships.

4. A decision will be made in the next few days which will likely see the giant transport Queen Elizabeth [illegible] instead of Halifax because shipowners have said there might be a risk in Winter docking at the Maritime port.

5. The hospital ship Lady Nelson, having cleaned up all but the day-to-day casualties in Europe, likely will be converted as a regular transport, and possibly with her sister ship—Lady Rodney—will start bringing war brides and children back to Canada early in the new year. The other hospital ship Letitia, due in Seattle, Wash., with wounded from the Pacific in the next few weeks, may also enter the Atlantic transport service.

6. Three ships loaded with enough turkeys to assure all Canadian overseas army personnel with about six ounces of meat—exclusive of bone [illegible] ports December [illegible] distribution to overseas [illegible]

7. The ration of the [illegible] forces has been made more attractive by the addition of tinned fruit juices and fruit and tinned vegetables such as corn on the cob.

Better Street Lighting Aim Of Council; Plan New System

The street lighting committee of the City Council at a meeting yesterday announced that a postwar program would be presented to the City Council in due time

The committee has plans at present for the creation of new or [illegible] dential area by the installation of approximately 400 of the latest fixtures, expected to arrive early in 1946, Alderman W H Davies chairman, said.

This program would keep Victoria in the lead or at least abreast of other cities on the continent, the committee stated

At the meeting, members of the committee spoke favorably of reports in Wednesday's Daily Colonist on the need for amalgamation of Greater Victoria police forces and improvements to city street lighting. The committee felt that constructive criticism in respect to the city's street lighting facilities was very acceptable and that any publicity which would serve to keep Victoria's ratepayers informed of the true situation in regard to this very important public utility could only be of benefit to the whole community

The committee referred to the "very effective blackout created by the forest type boulevard trees in the city" which, in its opinion, should be replaced with proper flowering trees and shrubs. Failing this, they recommended that the trees blocking light should be drastically pruned.

A sore point with the department, it was stressed, was the fact that so many lamps were being broken through vandalism. Since there was a shortage of equipment, it only aggravated the situation when boys and adults with air rifles and other weapons seemed to be conducting an active campaign for the demolition of the street lighting fixtures, Alderman Davies stated

The committee appealed to the public for any co-operation it could give in curbing this vandalism

Of the many difficulties facing the department at present the most difficult of solution was that of insufficient supply of necessary equipment, according to Kenneth Reid, city electrician. All public utilities have been restricted severely for several years he said

Press Opinion On Churchill

[illegible] —London Conservative press today hailed Winston Churchill's speech predicting the battle of "the people versus the Socialists" as a sign of the resurgence of a vigorous opposition, while the Labor and Communist organs regarded it as a sign that British Conservatism is dead

The Times, independent, said that the Opposition Leader's speech "signaled a full return to the workings of the party system"

While conceding that much of Mr Churchill's criticism of the Labor Government's policies thus far was justified The Times added "Mr Churchill was much less than fair to the Government when in his survey of short-term policies he derided their concentration on the export trade and upon the perils of inflation"

Topaz Army Huts Ready

Veterans and their wives will move into the first five suites converted from army hutments on Topaz Avenue, Saturday, Alderman T W Hawkins announced yesterday. An additional 18 suites will be ready by the end of next week, the chairman of the housing committee stated

Completion of the full total of 36 of the two-room suites and two larger three-room suites is expected before the end of the year

Yesterday the general public was invited to visit the army hutments and view the converted buildings. Many attended during the afternoon and the visitors expressed pleasure at the preparations

Alderman Hawkins announced yesterday that the housing committee was attempting to obtain more building materials for Government housing schemes in Victoria and to help private builders complete nearly 500 houses under construction.

Warning Against General Strike

MELBOURNE Nov 28 (CP) Prime Minister Chifley told Australia's coal miners today that a general strike in the industry would be disastrous for the Dominion and for the workers.

At the same time W Queale president of the Australian Chamber of Manufacturers declared that industrial upheavals could wreck the Commonwealth.

The two statements came as the Central Council of the Miners Federation prepared to meet here tomorrow to consider a recommendation for a general strike. The work stoppage would be called in support of striking steel workers at Newcastle, New South Wales, and Port Kembla, South Australia who have been out several weeks

The steel men struck when a war plant was closed down. They are demanding seniority rights for employees laid off in the cancellation of war contracts

Money Saved West Enough to Pay Senate Costs 800 Years

OTTAWA Nov 28 (CP) Senator J F Johnston (Liberal, Saskatchewan) cited one instance today by which he said the Senate had saved the taxpayers of Western Canada enough money to bear the costs of the Senate for 800 years

He was calling attention of the Upper House to certain matter relating to its historical and constitutional position, its function and its record within the scope of the responsibilities assigned under our constitution

Senator Johnston said he wished to recall the Senate record and the tax benefits it had brought to the Prairies. He believed the opinion of Sir John A MacDonald as to nominated bodies had seen abundant proof over the years

Dealing with freight rates he reviewed their history in the West

He recalled the action by the Senate in 1919 in turning back a Commons amendment to the Railway Act that would have overridden freight rate agreements between the Western provinces and the rail companies. Eventually its action had been upheld by the supreme court in 1925

On the basis of the railway claims that the rates cost them $20,000,000 a year this had saved Western farmers some $460,000,000 in the years since 1922. It cost $550,000 a year to operate the Senate. In 23 years, enough money had been saved by that one Senate act to operate the Senate for 800 years

Of that money saved more than half had gone into the pockets of Saskatchewan farmers although it was from that province that most criticism of the Senate came. The debate was adjourned

Chained to Bed Each Night For 20 Years, Makes Escape

MONTREAL, Nov 28 (CP) An amazing story of how he had escaped after having been chained each night for 20 years to a bed in a farmer's house at Sweetsburg Que in the Eastern Townships was unfolded to Provincial Police today by Fred Stone 42 of Ironhill Que. He said he had ended his alleged captivity when the persons to whom he was sent for care forgot to chain him.

Stone's story was told to Deputy Director Hilaire Beauregard of the Provincial Police who went to Sweetsburg to hear his testimony. Stone was found partly frozen in the Brome Lake district by Knowlton police who had him transported to the prison hospital at Sweetsburg

Deputy Director Beauregard subsequently ordered Provincial Police to interrogate eight residents of the Townships municipality. Police said that persons mentioned by Stone during narration of his story are needed for full corroboration

Director Beauregard disclosed that Stone told him that 20 years ago a Sweetsburg family offered to look after him as he was reportedly suffering from a mental condition. Stone said he worked on the farm every day and that at night the family, fearing his mental condition, chained him to a bed in an attic

Police said Stone's condition is regarded as serious while doctors reported that his legs bore marks of chains

James Ascroft Found Dead in Cabin Room

James Ascroft, aged 76 was found dead on his bedroom floor in a cabin at 844 Johnson Street yesterday at 3 20 p.m., according to police

The body was found after the man's son, C Ascroft 2306 Douglas Street finding the door of the cabin locked and suspecting his father might be inside phoned for police assistance.

Constables Stan T Holmes and Albert J Wilson gained entrance to the room and found the aged man dead on the floor, they report. Dr E C Hart, coroner ordered the body removed to McCall Brothers, funeral directors, after detectives had carried out preliminary investigations

Cause of death was not stated on police reports.

Asks Company Meet Strikers

WASHINGTON Nov 28 (AP) — The Government agreed tonight to ask General Motors to resume negotiations with the United Automobile Workers (CIO) looking toward an end to the strike in GM plants

Edgar L Warren Federal conciliation chief said he planned to discuss with GM President Charles E Wilson tomorrow resumption of collective bargaining asked by the union on its 30 per cent wage-increase demand

Labor Secretary Schwellenbach promised union leaders at a lengthy meeting here he would try to arrange for renewed negotiations promptly Mr Warren told reporters

R J Thomas UAW-CIO president said the union was ready to meet with the GM management at any time, any place, anywhere

The week-old GM strike has halted production and left 225,000 workers idle

New Stations On B.C. Coast

VANCOUVER Nov. 28 (CP) — A network of ultra-high frequency radio stations using frequency modulation for static-free reception will gradually be established on the British Columbia Coast by North-West Telephone Company to give improved radiotelephone service to coastwise shipping [illegible] points

The first stage of the marine part of the new service is expected to be in operation late in December, company officials said today

The Forbidden Plateau on Vancouver Island, where experiments have already been carried out, will probably be the site of one Coastal station

In addition to its present service to Coastal shipping, the company plans to open a special radiotelephone service for vessels operating inside Vancouver and New Westminster harbors

At present marine and land radiotelephone service in British Columbia is on medium frequency. It has longer range than ultra-high frequency FM transmission but lacks the latter's reliability and clarity both of which have been proved in two years of constant operation by the RCAF between Prince Rupert and Queen Charlottes.

Denies Orders Given Troops

MANILA, Nov 29 Thursday (AP) Lt-Gen Tomoyuki Yamashita today concluded his testimony in his war crimes trial by repeating over and over that he did not know of any atrocities, never ordered any and never heard of any by his troops in the Philippines

Gripping the arms of his chair the Japanese Commander said

"Matters referred to in the charge here I have known for the first time from witnesses before this court. When and if such acts were committed by my subordinates it is in complete disagreement with my own ideas.

"I never ordered such actions at all

"And furthermore, if I have known of them in advance, I would have taken every possible means to cause them to stop immediately. And if I'd found out about them afterwards, I would have punished them to the fullest extent of the military law"

Yamashita is accused of having condoned wholesale brutalities including rape, burning alive and beheading by troops of his command

Asked about a letter he wrote military police commending them, Yamashita said "I got the letter of praise because they discovered hidden dynamite under the floor of my officers' mess at Fort McKinley. Next they discovered near my headquarters a hidden cache of rifles and grenade. Also in a nearby village they found nearly 100 rifles"

Unemployed Organize

Victoria's unemployed are organizing. At a meeting of union representatives and unemployed sponsored by the Vancouver Island Labor Conference, in the Boilermakers Hall last night an association of unemployed was formed and a provisional executive elected

Fred Cardwell, president of Boilermakers Union is president, Rose O'Brien vice-president, Jack Hole secretary and Mrs M Burgoyne, L Le Clare, W McLaughlin and George Williams executive members

"We do not want unemployment benefits, but constructive creative work and wages" Mr Hole declared. The meeting was opened by Fred Bevis and Mr Cardwell presided

"We are asking all unemployed to join this organization and help initiate concerted action toward solving the unemployment problem, which grows more acute every day" said Mr Cardwell. The Boilermakers Union office is open to receive applications for membership in the unemployed organization

LONDON (CP) Volunteer labor squads are proposed by the Blitzed Areas Committee of the Parliamentary Labor Party. [illegible] trade union [illegible] would be paid

Amalgamation

The sheer pressure of physical events is forcing Victoria and its municipal neighbors closer to that day when civic amalgamation will have to be accomplished. In policing in fire prevention, in health, in schooling, in waterworks, in harbor development, in contact with the senior governments on a wide range of issues from employment to housing, the city and the separated municipalities are being crucified through trying to "go it alone." One case is played off against another and nothing is done.

In the matter of crime, there are no borders, as each community knows well. When fire strikes, all fire services should be on call. In an amalgamated district, Esquimalt would not have been left alone for twenty years to plead for some return for the direct loss of tax revenues to the Crown. When it comes to water, Saanich and Oak Bay are heard calling as often as is Victoria, which proposes to put a $130,000 waterworks by-law for minimum extensions required at once. The Cameron educational report dealt with Greater Victoria schools, again the same story.

If Victoria gets its much needed ocean docks, it is Saanich produce that will move over them. There is no way of segregating the lives and the fortunes of 84,500 people living in the same strip of territory, four by seven miles in extent. Greater Victoria has been in existence for ten years in fact. Why not recognize that? The forthcoming civic elections in each of the four municipalities would be a first hand opportunity to test the support of the electors. A reference could be put and voted on. Driving four horses on a one horse riding path has got us nowhere. United in a single metropolitan area much could be done.

At the present time Greater Victoria has real problems on its hands. Satisfactory co-ordination of rehabilitation, requiring an united voice at Ottawa, is an immediate one. Adequate lighting and police protection is essential for common public safety. It is by trade that a community lives, and if we do not get the harbor works we shall be reduced to taking in tourists, but what about the other ten months of the year? Crowded schools and colleges tell their own story, and that situation cannot stay that way. Wherever one looks Greater Victoria has come into existence on the ground. Why not recognize it, and act now. What are a few surplus municipal berths against the common good of nearly 100,000 people.

Salvation Army

Victoria has for long had a warm place in its affections for the Salvation Army. That has enlarged if anything as a result of the outstanding services of the organization during two hard wars. Both for the men in uniform and for their families at home the Salvation Army has done much. It is so that the current appeal of the organization for $30,000 will be considered against the results from the past. There should be little difficulty in raising the sum required for necessary purposes here.

When it is borne in mind that the Salvation Army wishes to proceed with its long-deferred plans for a new Citadel in this community and that $15,000 of the sum sought will be earmarked for that purpose, the objective in the present drive is by no means exaggerated. The organization has a reputation for careful conservation and of stretching its dollars so far as it is humanly possible to make them go.

We repeat that the Salvation Army does more good in private than the public ever becomes acquainted with. Its work among the underprivileged and distressed is a faithful and sincere one, with a good deal of human reclamation and permanent salvage in it. These, the reassumed lives, are far heavier in the scales than any number of dollars, however large. Such service should be supported to the hilt. The opportunity to do so individually is present, while the current appeal is being made. Victoria cannot do less than the minimum objective. In our view it might well have been more.

Dominion Conference

In so far as the provinces are concerned, the Dominion-Provincial Conference revolves around what is to happen to provincial income taxes. The Dominion quite evidently is seeking to perpetuate the present arrangement, which, legally, was to be binding only for the duration of the war and one year after. Ottawa, however, has not declared the state of war in Canada to have ended, so that the termination of the wartime pact would appear to be elastic. There is great pressure on the provinces to let go their right to direct taxation, conferred under the British North America Act. The electors of this province should understand what is involved before any such committal is signed.

For the year 1941 British Columbia collected $12,048,367 in provincial revenues from the income tax, that sum having risen from $5,000,000, to $7,000,000, to $9,000,000, and then to $12,000,000 in rapid stages in the immediate prewar period. The first wartime Dominion Provincial Conference saw the provinces temporarily assign their rights under the British North America Act to the Dominion. British Columbia was granted a fixed return of $12,048,367, the sum collected in the last complete fiscal year. And there the province's revenue from this [illegible] Not so the Dominion, which from then on took larger and larger sums out of incomes in this province, until today the estimate is $150,000,000 per annum, or more than ten times what the province used to collect. Meanwhile British Columbia receives back $12,048,367 unchanged.

Between 1941-42 and 1945, however, considerably more than 100,000 people have come into this province. The terminal years of the war involved express and added costs in public administration. Roads had to be kept up not alone for civilian traffic but for war uses as well. So too with all branches of the public service. They began to rise in scale and they are still rising. While the formula by which an interim settlement is achieved is of some importance, it is the result that will mean most to British Columbia. If our revenues are to continue to be sequestered in this fashion, what shall we receive in exchange? Also, when will the "state of war" end?

Aldermanic Board

One of the virtues of the democratic system practised in this country is that those charged with the conduct of public affairs must appear periodically before the people or their representatives and give an account of their stewardship. It is the basis of self-government and the most important factor in public weal.

Events in Europe these last six years should reinforce the value of this practice. There it has been demonstrated too clearly what the inevitable result is when an electorate no longer has any say in the matters that concern it. Yet at home here there is too often evidence that people take the practice for granted and fail to exercise the opportunity it presents for making their wishes known and keeping check on the officials to whom they have entrusted their joint affairs.

In the Chamber of Commerce auditorium tonight the Mayor and Aldermen of Victoria will appear before a citizens' meeting to report on the administration of this city during the past twelve months. There will be a special question period, when citizens will be able to advance their queries on any one of the civic problems now needing attention. Their views are important, to no one more so than themselves, and this is the opportunity to make them known.

Many pressing matters are before this community. There is the need for reorganization of police forces, sharpened by the recent increase in crime, and the whole question of amalgamation facing Greater Victoria, to mention only two of them. The Mayor and Aldermen will want to know what the citizens think of these and other questions brought up for discussion. Unless they know the wishes of the people they cannot carry them out.

Here is the opportunity for the electors to learn at first hand how their civic officers have discharged their duties during the year, and to prompt them to further efforts for the benefit of the community at large. If citizens do not take this interest they need not complain if civic administration is not what they want it to be. Democracy must be worked at to survive.

Seen in Passing

When the Canadian Parliament comes to consider the tax free salary grab proposed for its benefit by Rt. Hon. W. L. Mackenzie King will it please remember that 16,333 old age pensioners could be paid $30 for a month at the cost of the suggested salary grab. Indeed the cost of 16,333 top-scale old age pensions would not come to that. It would be $489,990.00, leaving one cent over, however fractionally. One cent may not mean much to Parliament, with its franking postal privileges, but it means one cent to the old age pensioners and to a good many other people in this land. While that is so, should Parliament vote itself another $490,000 out of turn?

Soothing the soul in me
Far hills, a dim blue haze
Melting in the sunlight's rays.

Beauteous island as you face
Speak to me the words unsaid
Bring me peace in desolation
Cherish thou my inspiration

Peace and quiet you have given me
Though the ocean waves have riven thee
Friends abounding me have blest,
May they find in you sweet rest.

London Digs Out

By HOMER STRICKLER
North American Newspaper Alliance

LONDON, Nov. 28.—The gigantic task of digging London out of the ruins of five years of air attacks is progressing, but it's going to be a slow piece of work, if observations during a tour of the Borough of [illegible] any criterion. London is literally tackling the job with bare hands.

In the first place, there is a shortage of labor for this kind of work. Also there is an obvious shortage of adequate equipment. Those on the job have the back-breaking task of razing the shattered walls of uninhabitable buildings with pick and shovel and crowbars. The method seems totally inadequate for the size of the task.

To an American accustomed to seeing buildings razed in the space of a few days by the use of bulldozers, nutcrackers, steam shovel, acetylene torches, dynamite, hydraulic drills and mammoth trucks, the English approach to the problem here looks hopeless. The only piece of real demolition equipment this reporter saw this past week in London was a hydraulic drill being used by a group of former Italian war prisoners on a brick bomb-blast wall outside one of the government buildings near Whitehall.

ORDERLINESS AMID DESTRUCTION

Yet in all fairness it must be said that the English are getting on with the job. What impresses the visitor is that such areas as Camberwell, which was hit hard by everything the Germans threw at London, are so tidy. There is an orderliness even amid the destruction.

Camberwell, which includes the districts of Dulwich, Peckham and Nunhead as well as Camberwell itself, was a densely built-up area. Now there are wide spaces of open ground, all neatly leveled and cleared of rubble. The borough is honeycombed, however, with whole blocks of two and three-story attached houses which, while safe enough to stand for later demolition, are still not habitable. These must eventually be removed.

And that is the task on which small parties of laborers are now at work. The English are aided by the Italians, a community of whom is housed in barracks on Peckham Rye. Early in the morning you will see special buses carrying workmen through the streets of London to the demolition sites. The buses are parked near by while the men work.

BRICK PILES STAGGER THE IMAGINATION

Bricks from the demolished houses are carted to designated dumps, of which there are about five in the Borough of Camberwell. The size of these piles of bricks stagger the imagination. They rise as much as 100 feet and cover an area of two or three city blocks. They are shored up along sidewalks by cleverly constructed walls of bathtubs and water tanks.

Some of those bricks can be used again, but those that have been subjected to fire must be discarded, because they crumble. There's not much wood to salvage, for Camberwell's ordeal was replete with fire bombs. The wood which survived the fires is being gathered in other designated places and will probably be used this Winter to supplement the nation's meagre coal rations.

German Records Reveal Nazi Cynicism

By HOMER STRICKLER
North American Newspaper Alliance

NUERNBERG, Nov. 28.—The complete cynicism of the German leaders in regard to such questions as the Jewish problem is nowhere more clearly manifest than in the stenographic report on part of a conference under Hermann Goering at the Reich ministry for air on November 12, 1938.

This remarkable document is a good example of the German records uncovered before the international military tribunal here by the prosecution in the war crimes trial. The Cabinet meeting was held following pogroms after the slaying of a German diplomat in Paris by a young Jew, David Gruenspan. It was called by Goering on the request of Hitler to settle the Jewish question one way or another.

After reviewing the moves to force the Jews out of German economy, Goering cited a number of anti-Semitic demonstrations.

"We have had this affair in Paris now," he said. "More demonstrations followed and this time something decisive must be done because, gentlemen, I have had enough of these demonstrations. They don't harm the Jew but me, who am the last authority for co-ordinating German economy. If in Europe demonstrations which are necessary occur, then I pray that they be directed so as not to hurt us."

He went on to explain that German insurance companies had to pay Jews for goods destroyed and that goods themselves were sorely needed by the state.

In the discussion which followed, a German insurance expert reported that the most remarkable case was that of Margraf, Berlin jeweler, whose damage was reported at 1,700,000 marks, because the store was completely stripped. As the terrific cost to German insurance companies became more clear in the course of the meeting, Goering became petulant.

"I wish you had killed 200 Jews and not destroyed such values," he said.

"There were 35 killed," S.S. leader Reinhard Heydrich said, defensively.

Propaganda Minister Paul Goebbels introduced the subject of synagogues, saying that in almost all cities synagogues were burned.

"Now various possibilities exist to utilize the space where the synagogues stood," he said. "Some cities want to build parks in their place. Others want to put up new buildings."

"How many synagogues actually were burned?" inquired Goering.

Heydrich reported that altogether there were 101 synagogues destroyed by fire, 76 demolished and 7,500 stores ruined in the Reich.

"What do you mean destroyed by fire?" Goering asked.

"Partly they are razed and partly gutted," Heydrich explained.

"I'm of the opinion that this is our chance to dissolve the synagogues," said Goebbels. "All those not completely intact shall be razed by Jews. Jews shall pay for it. The synagogues which burned in Berlin are being leveled by Jews themselves. We shall build parking lots in their places, or new buildings. That ought to be the criterion for the whole country. Jews shall have to remove the synagogues and shall have to provide us with ready free space."

Goebbels also introduced the question of Jews on trains and advocated a decree restricting them to separate compartments on condition that the train was not filled up, in which case Jews were not to be allowed to claim seats.

"They shall not mix with Germans," Goebbels said. "And if there is no more room they'll have to stand in the corridor."

"In that case," Goering remarked, "I think it would make more sense to give them separate compartments."

"Not if the train is overcrowded," retorted Goebbels.

"A moment," Goering said, "there'll be only one Jewish coach. If that's filled up the other Jews will have to stay home."

"Suppose though," Goebbels replied, "that there would be two Jews on a train and other compartments would be overcrowded? These Jews would have compartments all to themselves."

"I'd give the Jews one coach or one compartment and should the case you mention arise and the train be over-crowded, believe me, we won't need a law," declared Goering. "We'll kick him out and he'll have to sit all alone all the way."

The whole 11-page single-spaced transcript is filled with such expressions of complete and violent cynicism straight from the mouths of Reich Cabinet members. Such documents are remarkable not only for their subject matter but also for the insight they give into the personalities and characters of the Nazi hierarchy. And there are thousands of such documents here.

LOOKING FORWARD

Sir,—Many people are exercised these days over the magnitude of the power of the newly-discovered destructive atomic bomb, and the solemnity with which the Big Three met recently to discuss what should be done about it reminded me of the three little boys who discovered an egg without a shell; they passed it carefully from hand to hand as delicately as they could and gazed at each other in amazed silence; then they decided their precious secret must be kept from others, so they hid it, intending to bring it out often for further examination and adventure.

Being only very small boys, they forgot all about it till long after, when it was no longer a mystery.

While it is no doubt very necessary to be careful how this new discovery of atomic energy shall be manipulated and by whom it shall be used, we must always remember that no matter how great and how powerful this new discovery is, the minds of the men who perfected it are greater still, and will soon learn how to make it as harmless and useful under their control as they have done with steam power, electric power, dynamite, wireless and all the discoveries which were spoken of in fear by the people, when these great inventions were first discovered.

This great power of the atomic energy is as old as the hills and must have been present in Nature and in the Sun long before mankind inhabited the Earth, but man did not know of it till recently, and like the three small boys with the shell-less egg, they are flabbergasted with the potential power revealed in such concentrated atoms.

But what a field of adventure lies before our young men, chemists and scientists and inventors within the next quarter of a century, since the advent of this atomic energy.

Instead of this cry havoc and world's end mentality, let our young people be imbued with the joy of living in such an age of scientific advancement. We may be at the end of an era, but we are making more rapid headway into perpetual civilization than man has ever made before in all the world's history of mankind.

THAT SALARY GRAB

Sir,—I see by The Daily Colonist that the members of the Dominion Parliament are trying to get an increase of $2,000 to their salary, and tax-free at that, if I am not mistaken! Is that what the public elected these men for, so that they could gouge into the public purse while the getting was good? If they are wise they will use what brains they possess and look into the future a little, and they will probably find out that the most obvious thing to do right now is to rectify the unemployment situation. Steady work makes for a contented people. The fact remains that Canadian men and women have had some hard struggles since 1931 up to the present time, and their memories are still functioning. Perhaps, as a matter of common humanity, they might raise the standard of living for the old age pensioners and ex-service men who are struggling along on $30 per month, not $360. I suggest that the young service men use their heads and combine to get the War Veterans Allowance, not amended, but "changed," as they will be the old vets of tomorrow and should see to it that they do not suffer the same indignities and humiliations that their older comrades of the Great War underwent.

Fund Grows to $6,031

Figures released yesterday showed the Salvation Army drive for $30,000 has reached $6,031.

The Salvation Army men's social institution on Johnson Street, according to the organization, has provided 16,110 beds during the year, given away 1,331 free meals and clothed 448 persons. Furniture and 1,222 articles of clothing were given to needy families, and 34 positions were found for unemployed men.

Discover Human Skull

KAMLOOPS, Nov. 28 (CP).—Police today searched for clues leading to the identity of a human skull found by hunters on the Thompson River bank near here. The skull is said to be that of a child, 11 to 13 years of age.

Only unsolved disappearance in this locality is that of a two and a half year old Roger Marshall, who wandered from his home near Kamloops last April and presumably drowned in the Thompson.

Senator Says Recreation for Youth One Way to Halt Crime

OTTAWA, Nov. 28 (CP).—Senator G. G. McGeer (L., British Columbia) called in the Senate today for greater accommodation for the youth of Canada as a means of choking off the delinquency that leads to crime.

He was introducing an act to It has passed the Commons.

Canada, he said, would do well to recognize the heavy burden her present system of crime prevention put upon provincial and municipal governments. There was not a city in Canada that was not overwhelmed by taxation, not a large city that was satisfied with the accommodation provided for its children.

"The tomorrow must be made better for our youth," he warned in supporting one of the recommendations of the Archambault Royal Commission which probed the Canadian penitentiary system just before the war.

Senator McGeer regretted that juvenile delinquency and financial methods for solving it were not on the agenda of the Dominion-Provincial Conference.

The tragedy in which three youths recently killed an Ottawa detective grew in part out of the capital's lack of sufficient accommodation for the training and recreation of young people.

He said statistics showed an increase in crime after the war. In 1939 all Canadian penal institutions had admitted 78,000 persons as compared to 63,000 in 1943. Comparative figures for those years for penitentiaries were 3,803 and 3,059, and the latest figures available showed them creeping up again to around 3,200.

But while inmate totals had dropped between 1939 and 1943 total cost of maintenance, administration and operation of penal institutions had gone up by $867,000.

One purpose of the bill was to allow appointment of one of three members set up in 1939 before the other two so that he might study the recommendations of the Archambault Commission and advise the Justice Minister.

He read a lengthy list of advances that have been made in penitentiaries since then, but some major reforms remained to be instituted.

The bill would also allow appointment of commissioners "during pleasure" instead of for ten years, and bring them and their staffs within the Civil Service Superannuation Act.

Senator John T. Haig, Progressive Conservative leader, said he considered the bill "a very slight step toward reform." It was unusual to appoint a commission to investigate the report of a previous commission. Definite action should be taken on the Archambault report.

Charges Goods Dumped in Sea

SYDNEY, Australia, Nov. 28 (CP).—C. A. Burley, correspondent for The Sydney Sun, said today in a dispatch from Rabaul that Americans abandoning Pacific Islands are dumping into the sea or are burning millions of pounds worth of gear.

Burley said Australian officers passing through the Pacific areas called the destruction "staggering in scope and thoroughness." Burley said "the American argument is that if the stuff is shipped home it would merely mean shifting junk heaps from one place to another."

The correspondent listed these incidents as having been reported by Australians:

In the Admiralties: 200 fighter planes dumped into the sea.

Finschhafen: Complete dental outfits in the sea. Pontoons loaded with jeeps putting to sea with a bulldozer aboard to push them off. Mobile radio outfits in four-wheeled caravans dumped at sea. Small vessels burned in the harbor. Huge stocks of clothing, including windproof jackets, burned.

Jacquinot Bay: Barge loads of jeeps tipped into the sea.

Nudzab: Outbreaks of drunkenness among natives traced to tinned beer which had been bulldozed into the earth.

Lae: Warehouses filled with photographic equipment abandoned.

Saigon: Tons of food dumped into the sea.

Grandma Acts Now Grandson Writes

TOKIO, Nov. 28 (AP).—Grandma wrote her Congressman, the Congressman wrote the commanding officer. The commanding officer called in Robert and his sergeant and read grandma's letter asking: "Is anything wrong with Robert? Please tell me why he hasn't written and if anything has happened to him." Robert, whose full name was not disclosed, now is writing to grandma regularly.

Health, Welfare Officials Join In Conference

OTTAWA, Nov. 28 (CP).—Health and welfare officials were called into the meeting of the co-ordinating committee of the Dominion-Provincial Conference today as discussion apparently proceeded on details of the Dominion Government's proposals for revised financial arrangements and expanded social security.

At the end of the committee's five-hour working day Prime Minister Mackenzie King said he was authorized to say there had been "an increasingly interesting and profitable discussion."

The nine provincial Premiers and the Federal Ministers, however, appeared to be far from the end of their work of reviewing the proposals made last August, exchanging their views and deciding on the next step towards reaching an agreement acceptable to all.

Some of the Premiers have made arrangements to leave Friday night and hope the meeting will be ended by then. It was indicated, however, that things are moving very slowly although amicably and satisfactorily. Some participants think it may be necessary for the meeting to continue next week.

In a brief statement in Commons Mr. King expressed satisfaction with the progress of the meeting and announced a joint statement would be issued at the conclusion. He asked the public to draw its inferences from that statement.

Health and Welfare Minister Claxton, whose department has charge of planning for the establishment of national health insurance which figures largely in the Dominion proposals, attended today's meeting as well as some provincial health officials.

Arranging Leaves For Men Overseas

OTTAWA, Nov. 28 (CP).—Defence Headquarters today announced details of a system of 30 days' rotation leave in Canada for members of the Canadian Army occupational force in Germany and personnel on the permanent establishments of Canadian units in the United Kingdom.

Headquarters said the new leave system was applicable only to those who have served continuously outside the Western Hemisphere for three years, and who have repatriation scores of 150 or more and satisfactory records of service.

Initial monthly quotas have been set at 150 from the occupational force and 50 from the United Kingdom, but headquarters said "shipping facilities will largely determine the extent to which such quotas can be increased."

Tehran Troops Ready to Fight

TEHRAN, Nov. 28 (CP).—Iranian troops, under Government order to defend this capital against an insurgent force said to be approaching along a southward rail line, stood guard tonight, while observers suggested the rebels might veer away from the city.

Iranian tanks and troops barred their path at Sharifabad, four miles east of Kazvin.

Nevertheless the Government was said to fear that if the insurgents struck here sympathizers and "armed strangers" in the capital might rise in revolt.

The insurgents are demanding autonomy for Azerbaijan Province—bordering on Russia—within the Iranian state.

Conquest of Austria Tale of Treachery by German Leaders

NUERNBERG, Nov. 28 (AP).—A tale of studied treachery accusing German leaders and their Austrian Quisling, Arthur Seyss-Inquart, of engineering the conquest of Austria was unfolded today before the International Military Tribunal.

The United States prosecution, methodically weaving a web of evidence to prove the 20 Nazi defendants guilty of planning deliberate aggression, introduced document after document on Nazis' plots to undermine the independence of their little neighbor.

The two defendants singled out as the chief architects of the Anschluss were Seyss-Inquart and Franz von Papen, both of whom listened attentively as Prosecutor Sidney S. Alderman read into the record their own boastful words as evidence against them.

Sharing the spotlight was Rudolf Hess, former deputy fuehrer, who continued reading his 12th book in the courtroom as the tribunal announced that a board of psychiatrists had found he was "not insane in a strict sense of the word," but conceded his loss of memory would "interfere with his ability to make his defence."

The tribunal will decide Friday what his status will be. Dr. Gunther von Rohrscheidt, lawyer for Hess, expressed the opinion that his client probably would be tried in absentia.

The court disclosed a ruling under which the former Foreign Minister, Joachim von Ribbentrop, will be able to get the testimony of high British personalities who refuse to appear as witnesses. Under the ruling he will be able to have court-appointed interrogators obtain statements from the witnesses he desires.

Expect More Than Digging Ditches

VANCOUVER, Nov. 28 (CP).—Maj.-Gen. B. M. Hoffmeister, who was to have led Canadian troops in the Pacific, said at a Civic Action Association meeting here last night that "Men who dug slit trenches for their lives in Europe do not want to dig ditches for their livelihood in Vancouver."

Speaking on the rising unemployment situation, General Hoffmeister said: "It is the last thing we want, but I fear violence unless we take necessary measures."

General Hoffmeister said that the men now coming home had hoped for something better than a ditch-digging job.

"If men saw fit to place their lives in my hands overseas the least I can do is try to find an answer to their problems here," he said.

"There are those fortunate enough to have stayed home and enjoyed good jobs and better living conditions. They are the ones who should be digging ditches," he added.

Winter in Europe a Grim Picture G. S. Mooney Tells Canadian Club

The wonderful response made by the people of Canada recently in the clothing drive for U.N.R.R.A. and the distribution at the receiving end, in postwar Europe, was told by Mr Gordon S Mooney, chief executive of the European region of U.N.R.R.A. [illegible] of the [illegible] council of the European region of U.N.R.R.A., to members of the Women's Canadian Club in the Crystal Ballroom of the Empress Hotel, Wednesday afternoon.

"Clothing sent by Canadians was of the very highest quality, and there were hundreds and hundreds of men's suits and fur coats." These clothes, so urgently needed, and children's clothing were sent to distributing warehouses. Officials sorted out the clothing, and villages requested the needed garments. Mr Mooney explained that the people were not treated as charity cases, but were allowed to choose their clothing as if they were buying the garments.

The peoples of Europe Mr Mooney explained, are without the proper food and clothing and are sick physically. Many of them have no homes to live in, no fuel for warmth, and no medical supplies. "This coming Winter will be every bit as grim as the past ones have been," the speaker added.

"I wonder if you realize the damage which has been done" were words repeated many times by Mr Mooney, who left the Continent only five weeks ago. "In France alone, there have been 10,000 buildings knocked down, 29,000 locomotives [illegible] throughout Europe, canals and waterways have been blocked and ruined, cattle have been slaughtered, and thousands upon thousands of gallons of salt water have been already pumped out of Holland, where the American engineers have been working on the dykes. Even at that it will take five years to treat the soil.

"The people in Great Britain will be all right this Winter," said the speaker, "but it is not, however, England's first tight Winter. It is her sixth.

"The next 150 days will be difficult for the people in Europe, and we can make sure that the pipeline of supplies will be maintained by U.N.R.R.A. But money must be forthcoming for this work. No democratic government can survive in Europe this Winter when the people are starving."

Mrs Alan J Campbell, president, introduced the guest speaker. Scheduled to speak at the December 7 meeting is Mr Dick Corliss, who will show films of mountain animals.

Social and Personal

Mrs Charles Beard of Victoria, is the guest of Mrs. Walter Kenny, Rockcliffe, Ont.

San Francisco visitors at the Empress Hotel are Mr and Mrs S R Gratz.

Mr and Mrs B I Palmer of Billings, Montana, are guests at the Empress Hotel.

Mrs K N Baldwin and Mr and Mrs A W Kerr, of Sherbrooke, Quebec, are guests at the Empress Hotel while visiting Victoria.

Lieutenant-Governor W. C Woodward and Mrs Woodward will be "at home" at Government House on December 10 at 4.30 p.m. Invitations have been issued for the event.

Guests present at the Walker-Parr nuptials last evening included Mrs F. J Findlay and Mrs G Scott, aunts of the bride, both of Shawnigan Lake.

Members of the City School Board will attend the B.C. Trustee Association's Convention in Vancouver Monday to Wednesday of next week, at the Hotel Vancouver. Esquimalt trustees attending include Mr. B Caley, Mr P Johnston, Mrs. A McVie, Mr Norman Patterson, and Mrs W J Parry.

Trustees from Oak Bay will be Mrs H A Beckwith, Mr R S S Yates, Mr Colin Martin, Mr R M Lochhead, Mr. R N Collison, and secretary Mr J. W Dempsey.

Vancouver guests at the Empress Hotel include Mr. and Mrs W Vann, Mr and Mrs J E Johnson, Lieut. G R Wood, Captain and Mrs J S Kennedy, Mr and Mrs S Howie, Mr and Mrs. H Campbell, and Captain and Mrs R S Porter, of North Vancouver.

Princess Talked Of Trip to Canada

TORONTO, Nov 28 (CP) Princess Elizabeth discussed a visit to Canada when her great-uncle and great-aunt, the Earl of Athlone and the Princess Alice, were in England recently, it was revealed here today.

Princess Alice, in Toronto on a Christmas shopping tour, said she had talked with Princess Elizabeth about a Canadian trip before the Athlones leave Rideau Hall. The Earl of Athlone's term as Governor-General ends next February.

"The Princess Elizabeth would love to come to Canada and we would love to have her," said Princess Alice.

Princess Alice said she believed Summer would be an ideal time for Princess Elizabeth to come to Canada, but felt that Winter scenery and sports also would appeal to her.

Women Blamed

TORONTO, Nov 28 (CP) — Men-about-town report difficulty in finding dress shirts, dress shoes, black silk hose, tuxedos, dress overcoats, opera hats, striped trousers, cutaway coats and tail coats.

Tailors blame the women for the situation.

They say that when the Prices Board ruled against formal attire a few years ago, stocks of fine English wool intended for men's dress suits were turned into women's black suits and dresses. The same thing happened to the silk that might have gone into men's dress hose.

Mr and Mrs. T C. Hubbard, 137 Clarence Street, who were married in the old Christ Church Cathedral here, December 4, 1895, will celebrate the anniversary at a reception at their home from 3 to 5 p.m. and 7 to 10 p.m. Mrs Hubbard was born in Victoria and has resided here all her life. Both bridesmaids, Mrs. Hubbard's twin sister, Mrs Susan Youngs, and Mrs M Kirkendale will be present at the reception.

Robin Wood, Talented Pianist, Gives Outstanding Performance

An outstanding performance was given by Robin Wood, Victoria's talented young pianist, at the Victoria Musical Arts Society recital, Wednesday evening before an appreciative audience that packed the ballroom of the Empress Hotel. Natalie Minunzie, 16-year-old mezzo-soprano appearing on the same program, made her debut in Victoria and was warmly received.

The Chopin numbers by the young pianist were the highlights of the evening, drawing prolonged applause. The skillful technique and understanding of the composer were exhibited in "Etude in E Major" and "Scerzo in C Sharp Minor," with the encores "Etude in C Sharp Minor" and "Etude in C Minor." Throughout he played with fine restraint and color, touching moments of sheer beauty.

Wood displayed both ease and charm in the playing of the familiar "Prelude in G Minor" by Rachmaninoff with the rich overtone given full color. "The Prelude in G Sharp Minor" by the same composer was equally as fine.

After the first group of selections, Scarlatti's "Pastoral" and "Capriccio," the latter movement being superbly done, and "Sonata in G Minor" by Schumann, the artist delighted the audience with his own composition, "A March," as an encore.

Natalie Minunzie was heard in two choral groups, "Sleep" by Handel, and "The Fairy Lough" by C V Stanford, being particularly well suited to the young singer's voice and were sung with feeling and richness of tone.

In contrast Miss Minunzie showed verve in singing the lilting tunes "Come and Trip It," by Handel and "Love Has Eyes" by Bishop as an encore after the first group. "The Water Mill" and the encore, "The Water Lily" were pleasing in the second group.

Lavish Note in Evening Styles

MONTREAL, Nov 28 (CP) Hemlines drop while spirits rise and so next Spring will find Canadian women once more clad in graceful floor-length evening gowns. Women who seek gay celebrating whirls of fun around town will be dressed up to meet their wildest mood of elegance: long evening gowns and dinner gowns, and a host of admirers.

"Women are hungry for long dresses and couturiers are making them as fast as they can," said Miss Fern Smith, commentator at the advance Spring style review held here yesterday.

One design which is sure to attract favorable attention is a formal evening dress in radiant white crepe with a Turkish minaret black tulle skirt spattered with dull gold sequins, an original creation of Alfandri, one of Canada's foremost designers. Another Alfandri design is a dinner gown of cheerful rose faille taffeta. Three horizontal bands of contrasting blue, purple and maroon add interest at the front of the skirt just above the hemline.

The removable bolero is remarkably popular. Designers boost it as a new appealing and practical Canadian style either for formal dinner gowns which become evening dresses without the bolero, or afternoon dresses which become short gala flatterers. The bodices of the dresses themselves usually are of a contrasting shade, many enhanced by sequin detail.

Cape sleeves and peplums are celebrating their first anniversary in the fashion world. They were shown in every type of dress—dinner gowns, evening dresses long and short, and afternoon dresses.

Reserve Body Formed In Red Cross Corps

Active Canadian Red Cross Corps became an active reserve group at a ceremony held recently in Memorial Hall. Mr W C Mainwaring presented 30 workers with Civil Defence certificates congratulating the corps at the same time for the work in connection with Civil Defence since 1941.

The corps will be in reserve for emergency and active relief and will parade twice a month, replacing the previous weekly schedule. Mr W Hobart Molson spoke to the corps. Other guests included Mr Stewart Clark, Major Walker and Capt D J Proudfoot.

Miss E F Richardson, commandant, was present. Three members of the Canadian Red Cross Corps who returned recently from overseas service attended. They were Lieut Jean Ellis, the first member of the Red Cross Corps to land in Normandy, Lieut Sheila Moffat and Lieut Cauline Griffiths.

P.-T. Associations

North Saanich P.-T.A. will show National Film Board pictures in the High School on Thursday evening. The next meeting will be held on December 3, when final preparations will be made for the Christmas card party.

There will be carol singing by students followed by community singing at the next meeting of Oaklands P.-T.A. in the school auditorium Monday at 8 p.m. Attendance prize will be awarded.

DONATIONS FOR LIBRARY

DUNCAN, Nov 28 — The W.A. to the Cowichan Hospital Association met Monday afternoon at the Nurses' Home, Mrs E W Neel in the chair.

It was reported that the show case at the hospital earned $8.95 in November.

Mrs S R Kirkham reported that 126 new articles were made for the hospital. Mending was done by Dogwoods Chapter I.O.D.E. for two weeks and by the Ladies of the Royal Purple for two weeks.

Mrs O T Smythe reported that donations for the library had been received from Mrs A A Mutter, Mrs C C Watson, Mrs F Goldie and Mrs E W Neel, and magazines were contributed by Mrs E M Waldie, Mrs G H Savage, Mrs T Smith and Mrs G Bergman.

Final arrangements for the December Community Bazaar were made.

Mrs E W Neel gave an interesting report of the recent convention of The B.C. Hospitals Association. Tea was served by Mrs B P Allard and Mrs O T Smythe.

Alderman B J Gadsden requests re-election on December 13.

Charlotte Parr Married at Home

At a pretty ceremony which took place last evening at the home of her parents, 397 Arnold Avenue, Charlotte Ruth, only daughter of Mr and Mrs F S. Parr, was united in marriage to Alexander Francis Walker, youngest son of Mr F W Walker, Walkerton, Ont, and the late Mrs Walker. Rev William Allan officiated.

Mr William Bird was the soloist, playing his own piano accompaniment.

The bride, given away by her father, was lovely in a model gown of eggshell satin fashioned with sweetheart neck, lily point sleeves and bouffant skirt flaring from a fitted waistline. Her chapel veil was arranged under a Mary Stuart headdress of lace, and she carried a bouquet of pink roses and gardenias.

Mrs William Bird wearing Copen blue net over taffeta with coronet of white flowers in her hair, was the bride's only attendant. Deep pink roses and gardenias formed her bouquet.

The bridegroom, who served with the Seaforth Highlanders for four years, had his comrade-in-arms, Mr William Waldron, as his best man. They were in uniform.

At the reception following the ceremony the toast to the bride was given by Mr W Bird.

For a honeymoon on the Mainland the bride chose a teal blue coat trimmed with caracul, black dress and hat trimmed with sequins, and corsage bouquet of roses and gardenias.

The couple will reside in the city.

For Brides-Elect

Miss Peggy Johnston and Miss Irene Godfrey were joint hostesses at a surprise miscellaneous shower held Tuesday evening at the home of Mr J A MacDonald, in honor of Miss Kate MacDonald, a December bride-elect. The gifts were concealed in a prettily-decorated bonbon. Guests included Mrs T Johnston, Mrs B Godfrey, Mrs Borrowman, Mrs Duff, Mrs F L Watson, Mrs R Gardiner, Mrs I MacDonald, Mrs S Cornish, Mrs R Anker, Mrs A Blone, Mrs A Earle, Mrs W. Jordan, Mrs T Aird, Mrs L Godfrey, Miss Faith MacDonald, Miss Mildred Morris, Miss Isabelle Sherriff, Miss Elsie Ross and Miss Anne Gardiner.

Miss Peggy Ross, a bride-elect of this week, was the guest of honor on Tuesday evening when Mrs Bert Young and her daughter, Mrs George Wilson, entertained at a miscellaneous shower held at the former home, 1026 Carberry Gardens. The pretty gifts were presented in a box decorated in pink and white. The invited guests included Mrs T C Ross, mother of the honoree, who is here from Gibson's Landing, Mrs T A Brady, Mrs D K Kennedy, Mrs W Grimm, Mrs S Small, Mrs S Renstrom, Mrs Gordon Fyfe and Misses Sheila McKinnon, Vera Bankes, Minkie Ford, Gerry and Mary Kennedy and Myrtle Chapman. While Miss Ross was visiting her parents at Gibson's Landing, B.C., she was honored at a miscellaneous shower given by Mrs F Kullander and Mrs R Keast and held at her parent's home.

HUSBAND KEEPS FAMILY BUDGET

Dear Miss Fairfax: I've been married for 30 years to a man who is 100 per cent perfect, no faults. He never leaves home, never does anything but live his own selfish life. He has never lost a day from work in 30 years, and I've never seen a pay cheque. I know nothing of business affairs, and am just a housekeeper. He gives me a dollar occasionally to buy clothes. I fix three meals a day, wash, iron, clean, mend, cook.

I plead with him to turn money affairs of home to me; but no, he says no woman will ever boss his life. I've raised seven children—the youngest 17 years and in high school. My children love us dearly, but father is at the head of the list, mother second. Father just smokes and reads papers.—W. H. B. C.

When your husband tells you no woman shall "ever boss his life," and he carries out his theory to the extent of having the household supplies, I believe a good many women would be glad to have their husbands do the same thing. Buying groceries and supplies today is no easy chore.

The unhappy part of your married life is that you haven't a cent you can call your own. Cudgel your brains and see if there isn't something you can do to earn a little extra money. Have you ever thought of being a baby sitter, as they call people who take care of small children while their parents are away? How about doing some neighbor's marketing as you don't have to do your own? Or have you any particular household skills? A woman who had no spending money wrote me that she makes quite a bit by doing fine blouses for employed girls. Why not try something that will bring in a little cash?

Honor Original War Emergency Committee Members

—Colonist Photo

Civil Defence certificates were presented by W. C. Mainwaring, chairman of the advisory council of the provincial Civilian Protection Committee, to ex-Mayor Andrew McGavin and members of the original war emergency committee of the City Council at a ceremony in the mayor's office at the City Hall yesterday afternoon. Inspector Arthur H. Bishop, Civil Defence controller, was honored with the group. In the above photograph, Mayor Percy E. George and Mr. Mainwaring are seated. Standing, from left to right, are W. Lloyd Morgan, Inspector Bishop, Archie Wills, Alderman J. A. Worthington and Mr. McGavin. Mayor George is now chairman of the war emergency committee.

Realize $381 at Bazaar

Approximately $381 will go toward the building of a rectory, the proceeds of the successful bazaar held by St. George's Ladies' Guild, Cadboro Bay, on Wednesday afternoon. Among the many attractions provided for the 200 persons attending was the auctioning of a beautiful table lamp and the electric train which was used to carry gifts to the children. Tea was served and games were enjoyed. Mrs. Reginald Hincks, president, was in charge of arrangements.

Mrs. Mitchell to Speak

Mrs. W. E. M. Mitchell, case worker for the John Howard Society, will speak on Prison Reform at the open meeting to follow the first annual meeting of the Social Workers' Club of Greater Victoria, to be held in the Council Chamber of the City Hall, Wednesday, December 5. The business meeting will take place at 7:45 p.m. and the open meeting, to which the public is welcome, at 8:30 p.m.

Road Hub Lost By Nationalists

CHUNGKING, Nov. 28 (AP).—The Chinese Government admitted today the loss of the important Southern Hopei Province highway centre of Feisiang to besieging Communists.

But Nationalists meanwhile were reported to have begun long-delayed landings at the captured Manchurian seaport of Hulutao.

Feisiang, described by the Nationalists as one of the insurgents' main objectives, fell after a three-month siege. The deputy commander of the town's garrison was killed in action. The highway centre is east of the Peiping-Hankow Railroad.

An unconfirmed dispatch in The Chungking Commercial Daily News said Government forces had started landing at Hulutao, recently occupied by Government troops after evacuation by Communist forces.

Communist attacks on Han-chuang, 30 miles north of the rail junction city of [illegible]chow on the Peiping-Hankow Railroad, were repelled, Nationalist dispatches said.

Hail Beret Stolen

GNR. G. I. BOTTING

Of the 2nd Medium Regiment R.C.A., who served in Holland and Belgium, and with the Eighth Army in Italy and is now spending leave with his mother, Mrs. G. E. Botting, 1349 Hockland Avenue.

While he was greeting his mother at the dock after returning from two years and three months overseas, an unscrupulous souvenir hunter stole his beret, an old companion of several campaigns.

He was educated at Mackenzie Avenue School and Mount View High School and joined the army four years ago.

Invited to Ladner

Hon. Sqdn. Ldr. Norman Jack Crees, Protestant padre stationed with the R.C.A.F. at Sea Island, will be called to Ladner United Church, following the resignation of Rev. W. H. Smith, who came out of retirement to take the church three years ago, it was learned here yesterday. Sqdn. Ldr. Crees was minister of Fairfield United Church before the war.

Back From Overseas

Three years of overseas service have ended for Lt. Walter [illegible] Stuart, who returned on Tuesday to the home of his parents, Mr. and Mrs. W. H. Stuart, Cobble Hill.

Enlisting in the Royal Canadian Army Service Corps, he was graduated from Gordon Head O.T.C. three years ago and went overseas with the Calgary Highlanders.

Big Order Given Canadian Firm

HAMILTON, Ont., Nov. 28 (CP).—Dr. Vadim Krapivin, consulting engineer to the Government of Russia, said today an order for $3,000,000 worth of electrical equipment has been placed by the Soviet with the Canadian Westinghouse Company here.

Dr. Krapivin said the equipment is to be used for an aluminum plant to be built in Russia.

Plans Toy Factory

A toy factory at Patricia Bay [illegible] be started shortly by an R.C.A.F. veteran, S. G. Randall, in one of 13 army buildings purchased from War Assets Corporation by a co-operative group at Sidney.

The buildings, which originally belonged to the 22nd Light Anti-Aircraft camp on Wilson Road, are being jacked up on rollers and moved to new sites. One has been moved to Beacon Avenue, where it is to be used as a bicycle repair shop by David Holden. The larger buildings are being moved in two sections.

Most of the buildings are to be used as homes.

Mayor in Contest

DUNCAN, Nov. 28.—Duncan is beginning to display some interest in the civic election for which nominations will close on December 10. Mayor G. H. Savage, with three years experience as chief magistrate, has announced his intention of standing for the office again and to date no one has come forward to oppose him.

In the aldermanic field, however, a contest is assured. The terms of Aldermen Wragg and F. W. Hitchcox expire this year and Alderman Wragg has definitely announced his retirement. O. W. Highmoor, who was defeated last year by a narrow margin, has announced his candidature. Other candidates will be Walter Hudson and Hector Marsh, who will represent a group of younger men commencing to take an interest in public affairs.

LONDON (CP).—Refugee diamond workers, some of whom have decided to stay here, have presented a diamond worth £800 ($3,600) to the Lord Mayor's state regalia.

Severe 'Quake Floods Bombay

BOMBAY, Nov. 28 (AP).—An earthquake of great severity, believed centred in the Arabian Sea around the Gulf of Oman, today rolled a small "tidal wave" into two Bombay suburbs and swept several fisherfolk out to sea. Bodies of three women were recovered.

The quake was recorded here at 6:29 a.m. today (4:59 p.m. P.S.T. Tuesday). Tremors were felt in many places in Western India but no casualties or damage were reported immediately, except in the flooded Bombay suburbs of Juhu and Versova.

The quake, described by seismologists as one of the most severe of this century, centred about 250 miles northwest of Bombay, the observatory here reported.

Austrian Cabinet Resigns in Body

VIENNA, Nov. 28 (Reuters).—The Austrian Cabinet today handed its resignation to Chancellor Karl Renner and his political council following the results of Sunday's general elections.

The council asked the Government to remain in office until Parliament meets December 18 and also requested the Volkspartei (people's party), which won a majority of seats in the election, to form a new Government before the Renner Socialist administration, which placed second in the voting, goes out of office.

Elect Union Officers

Automotive Maintenance Workers Union met in the Labor Hall last night and elected the following officers: Frank Nelson, president; William Burley, vice-president; Jack Frampton, secretary-treasurer; Fred Parkinson, recording secretary; George Reade, Forbes Irvine, Thomas Pickall, J. Sedgewick, George Jarvis, George A. Wilkinson, executive members.

Charles Chivers, candidate for alderman, spoke briefly. The meeting decided to send a telegram to Hon. Humphrey Mitchell, Minister of Labor, urging prompt settlement of the Ford strike. Thirteen new members were accepted.

George Jarvis and George Wilkinson reported on a meeting of the British Columbia executive, Trades and Labor Council, at Vancouver.

Oppose Formal Duds

LONDON (CP).—London launderers are opposed to the re-introduction of men's evening dress in theatre and restaurants at the present time.

"Men who wear boiled shirts will do so at their own risk," said the official of a large London laundry. "Already we have more essential clothing than we can cope with without taking on extra specialized work.

"All boiled shirts have to be hand ironed, which means additional labor. And there is no starch available for this work."

Story of "Holy Joe"

LONDON (CP).—From an Allied prisoner of war camp in Siam comes the story of "Holy Joe," a Korean guard.

"Why," asked the guard, "did the prisoners give him that name?"

"Well," said an Australian, "you are called Holy because you are a Christian, and Joe because all great men are called Joe—Joe Stalin, Joe Louis and Tojo."

Toronto Stocks

TORONTO, Nov. 28 (CP)—Selected issues staged narrow gains on the Toronto Stock Exchange today as a firmer note prevailed in virtually all groups. Volume of some 2,000,000 shares was about 500,000 more than yesterday's [illegible].

There was moderately heavy action among the cheaper golds, with Indian Lake adding 14 cents to touch a new high at $1.15, but dropped back to 99. Others showing strength included Armistice, Astoria, Nib Yellowknife, Piccadilly and Omnitrans.

Base metals were active following the lead of Consolidated Smelters, which hit a peak for the year at 79½. Noranda and Hudson Bay were up. Heavy trading sent Normetal 21 cents higher to a new peak at 95 cents.

Liquors and steels were stronger among industrials, with gains and losses fairly evenly divided in other groups. All liquors were fractionally higher or unchanged. Bell Telephone, Brazilian and Shawinigan were utilities showing strength.

Junior oils were weaker amid relative inactivity. Pacific Petroleum, Vermilata, Roxana and Pacific Refinery lost some ground while Ajax and Anglo-Canadian were among a smaller group of gainers.

NEW YORK, Nov. 28 (CP)—The Canadian dollar was unchanged at a discount of 9 3-16 per cent in terms of United States funds in closing foreign exchange dealings today (Ottawa Foreign Exchange Board rates 9.09-9.51 per cent discount). The pound sterling was unchanged at $4.03½.

Montreal Stocks

MONTREAL, Nov. 28 (CP)—Under the leadership of recent favorites trends were higher on average except for golds in trading today on the Stock Exchange and Curb Market.

Vickers issues in industrials were a feature. The common converted a loss into a gain and the preferred jumped 4 points. Others in [illegible] group firmer were Building Products, Asbestos, General Steel Wares, Hamilton Bridge, R. Mitchell, Cement, Marconi, Foundries, Steleo Preferred, Sherwin Locomotive, International Bronze, Ford, Massey Preferred and Acadia Preferreds.

Bell Telephone extended yesterday's strength and touched a new high and in other utilities Shawinigan was up 1½ and International Utilities and Gatineau were better and Winnipeg Electric Preferred was shaded. Montreal and Royal improved in banks. C.P.R. lost ground in carrier.

Smelter advanced from the previous peak in metals and Hudson a [illegible] firmer. Petroleum and Imperial backed up in refineries. Wright-Hargreaves dipped in golds. Woods and Bruck posted increases in textiles.

Displaying buoyancy in miscellaneous were Lambert, Chemicals and Maple Leaf Milling. Lumber [illegible] a loss.

Winnipeg Grain

WINNIPEG, Nov. 28 (CP)—Rye futures prices on the Winnipeg Grain Exchange today moved up on moderate buying by locals and outside interest which found offerings light. Dealings were dull throughout the session.

At the close prices were 2⅛-1 higher with December $1.87 .b, May $1.87 .b and July $1.79 .b.

Approximately 600,000 bushels of Canadian wheat was taken for export today with the United Kingdom and Czecho-Slovakia as the purchasers.

Chicago Grain

CHICAGO, Nov. 28 (AP)—Trading was slow in grain futures pits most of the time today. Wheat held firm and oats and rye were easy most of the session.

Wheat prices held up on continued strong demand for wheat and flour. Eastern demand for oats was reported falling off.

Although the nearby rye contracts were weak, the September 1946 delivery climbed ⅛ cent to the ceiling of $1.44⅛.

Anti-Unemployment Agitation Spreads Throughout Province

VANCOUVER, Nov. 28 (CP).—Mayor J. W. Cornett, of Vancouver, today telegraphed Prime Minister Mackenzie King requesting appointment of a special agent in Vancouver to speed postwar work projects to give jobs to veterans.

Action was taken by Mayor [illegible] ation spread throughout the province.

Fears that lack of jobs for veterans might lead to open violence was expressed at meetings where adoption of a 30-hour work week throughout British Columbia was recommended as one step toward a solution.

Other recommendations included abolishment of all overtime work, removal from jobs of all married women whose husbands are gainfully employed, listing of all British Columbia job vacancies with the zone council of the Canadian Legion, subsidizing of veterans in jobs for a two-year period.

It was learned that hundreds of Prairie farmers have arrived in Vancouver and more are coming daily, swelling the ranks of the jobless.

Meanwhile it was learned that more than 1,000 mill workers will be laid off for periods varying from two weeks to 30 days after the middle of December when a number of lumber mills in the Vancouver and New Westminster area shut down for repairs or because of log shortages.

Hammond Cedar mills, Port Hammond, will shut down a few days before Christmas, releasing 300 of 415 employees.

Mohawk Lumber Company, New Westminster, will lay off 80 to 90 of its 200 millhands.

Cedar Cove mills of Vancouver will close December 15 for at least two weeks.

Plans for a survey of job possibilities in Vancouver in an effort to place unemployed veterans were announced today by Maj.-Gen. B. M. Hoffmeister, who was named before V-J Day as commander of the Canadian army destined for the Pacific.

Gen. Hoffmeister, who has pledged unceasing efforts on behalf of jobless ex-servicemen, disclosed the plan in the wake of a warning at a Civic Action Association meeting that "I fear violence unless we take necessary steps to solve the problem of work for veterans."

Every firm in Vancouver will be asked to check its staff with a view to finding a spot for one more veteran, said the general, who had reported earlier that Canadian White Pine Co. Ltd., of which he is general manager, would put on an extra shift Monday for the purpose of creating employment.

R. K. Gervin, secretary of the Vancouver, New Westminster and District Trades and Labor Council (A.F.L.), said he believes the Provincial Government is "stalling" on the Public Works program until unemployed servicemen have spent their gratuities.

He said many manufacturers are holding up goods until the first of the year when the excess profits tax will be reduced.

Deposits, Assets Show Increases

All time year-end highs for deposits and total assets feature the 114th annual statement of the Bank of Nova Scotia.

Assets of $613,517,014 show an increase of $71,000,000. Net profits are $1,920,827. This compares with $1,445,420 for the previous ten months' period, the bank having changed its year end from December 31 to October 31 last year. The usual strong liquid position is maintained.

Other interesting items include increases of over $68,000,000 in total deposits and $55,000,000 in investment account. Loans are up roundly $13,000,000.

Cash, clearings and balances due from other banks, $119,488,507, represent 20.74 per cent of total liabilities to the public. Total quick assets, which include the above together with investments and call and short loans secured by stocks and bonds, amount to $453,054,992 and represent 78.65 per cent of liabilities to the public. The latter figure compares with 7[illegible].93 per cent at date of last statement.

Investment account now aggregates $309,803,303, of which 85 per cent is in Dominion and Provincial securities, 47.[illegible] per cent in Dominion and Provincial securities maturing within two years. Investments include $8,167,011 in municipal securities, $26,219,605 in public securities other than Canadian, and $12,144,310 in other bonds, debentures and stocks, all at not exceeding market value.

Loans other than call loans total $122,031,268, practically unchanged since last statement. Current loans in Canada are around the same figure as last year while loans elsewhere than in Canada are down about $3,000,000. Loans to provincial and municipal governments are up roundly $2,000,000. Call loans are up $14,720,000. Acceptances and letters of credit outstanding are up about $3,000,000.

Total deposits are $541,342,336, an increase of $68,492,852. Interest-bearing deposits show an increase of over $49,000,000 in the 12 months period notwithstanding substantial withdrawals made during two Victory Loan campaigns. Deposits of Dominion and Provincial Governments at $20,683,015 are practically unchanged. Demand deposits of the public are up over $21,000,000.

Amenity Ship Agamemnon Now Berthed Here; Future Unknown

A ship is called "she" because it has a heart. And there is regret in the iron heart and darkened 'tween decks of the Blue Funnel Line steamer Agamemnon as she lies at her V.M.D. berth.

For this lady of the sea will never fulfil her destiny. And 900 V.M.D. [illegible] week when the contract was cancelled will never know pride in seeing her completed.

She was to have been something unique in war. A floating entertainment palace to while away leaves for men of the Canadian and Royal Navies in the far reaches of the Pacific.

Conversion work will soon be called to a halt on the 10,000-ton [illegible] celled by the British Admiralty last week. But work will begin again in the near future, by a crew that will tune up the engines to take the Agamemnon back to England, where her fate will remain in the balance.

The Agamemnon has played many roles since she slid down the ways of her Belfast berth in 1929. For many years she plied the seas as a passenger-freighter. Her first conversion took place in 1940 when she was structurally altered to become a minelayer. Early in 1945 a merchant crew brought her to Vancouver Island to be reconverted to assume her "starring part"—that of an amenity ship for sailors too isolated for leave at main bases.

A chalked sign on the bare fittings, recreation space reads "Beer will be served at 1.00 p.m." But the brewery which would have produced 9,000 gallons of beer a week will never be used.

In the last five months many changes have taken place on the Agamemnon. Her huge funnel has been trimmed by nearly half. The Captain's bridge has been stripped down to make way for a promenade deck, and another boat deck has been added above that. All the sharp angles of the utility ship have disappeared to make way for a streamlined pleasure craft.

"Tokio Express," [illegible] entertainment troupe, trained and sent out from London to be a part of the ship's company will never play across her boards now, but Victorians may see them when "Tokio Express" plays a two-day engagement at the Royal Victoria Theatre next week.

Captain Walter Dark, merchant master of the Agamemnon, will not see his ship used as a luxury-entertainment vessel, but he will soon see the giant 5,500 horsepower engines tuned up for the homeward voyage to England.

Christmas Seals To Help Clinics

Dr D B Roxburgh, medical superintendent of St. Joseph's Hospital, is appealing to the public for continued and whole-hearted support of the annual Christmas T.B. Seal Campaign, now under way.

He points out that proceeds from the drive are aimed at eventual elimination of tuberculosis.

"Tuberculosis is not hereditary [illegible] It is a communicable disease, passed from one person to another. The only way to conquer tuberculosis is to seek out all persons infected with it, segregate them from the rest of the population, preferably in a sanitarium, and see that they stay there until they are cured.

"Early diagnosis program, to a very great extent, is financed through the funds raised by the sale of Christmas seals. Many of the mobile X-ray clinics used in this work have been purchased with Christmas seal money and, in some instances, the cost of operating such units is borne by provincial tuberculosis associations or local seal committees.

When Teeth Must Be Removed

By Dr J B WARREN

Should all the teeth be removed at once?

If your dentist knows you and your teeth, better follow his advice If he does not know you well, consult your family doctor as to your temperature, pulse, blood and blood pressure. If you have teeth to be removed on both sides of the mouth, have the teeth on one side only removed. This gives you a chance to chew your food on the other side and thus keep up your strength until the other teeth are removed later

View Royal Land Sale Completed

A pioneer estate, the last remaining sizeable acreage fronting Esquimalt harbor has been sold for sub- [illegible] of Alderman D D McTavish since his grandfather, Hon. Dr J. S Helmcken, acquired it shortly after landing here in 1850

Comprising 42 acres of wooded parkland on the north shore of the harbor adjoining View Royal, the property is the site of several old Indian burial mounds Sale was made by Alderman McTavish to Newstead Realty

The estate is part of the original Helmcken lands stretching from Four-Mile House to Parsons Bridge and back to Burnside Road

North's hand offered a tough problem of opening the bidding One spade figured to be highly embarrassing if South responded with two diamonds or two clubs—North wasn't strong enough to bid two no trump on the second round: his heart suit was virtually non-existant and he certainly couldn't rebid those anaemic spades. Thus, all in all, the one-club bid was the least of evils [illegible] diamond. East won with the king and returned the five West ducked this return, playing the eight in an attempt to make declarer believe he had started with only a four-card suit and that East still had a heart for communication

Declarer overtook his own diamond nine with the jack in order to lead a heart from dummy East played low and South won with the ace. Dummy was re-entered with a club and another heart was led Now, when East's queen appeared, declarer promptly ducked, more than willing to let East hold this trick If he could return a diamond that meant only three diamond tricks for the enemy, if he couldn't things were all the bigger. The crucial point was that East, not West, was winning the present trick that declarer now could expect to take three hearts, three clubs—and then could safely finesse against the spade king into the non-dangerous hand, East

That was the way things worked out Indeed when South [illegible] led [illegible] defender failed to cover and since he had to discard two diamonds on a club and a heart he was finally thrown in with the diamond ace and had to give South an extra trick by leading from the spade king

BASKETBALL CONTROVERSY IS FINALLY SETTLED

Reminiscent of bygone days when hoop patrons used to pack the Victoria High School gymnasium to overflowing, basketball's latest controversy is settled.

For a few days it caused quite a little excitement along the provincial cage front, but now the tempest has subsided and the Victoria Dominoes will go to Vancouver to play a return game with Varsity Thunderbirds.

Green light for the fixture was flashed when the B.C.A.B.A. sanctioned the contest.

Taking exception to published reports they "were fighting Varsity's battles," officials of the Victoria and District Basketball League reiterated last night that their action was prompted to protect the Victoria Dominoes. "The Dominoes threatened to withdraw from the British Columbia play-offs if they were not permitted to play the game with Varsity," a spokesman for the city league said.

It is no secret to anyone that the British Columbia Basketball Association and the Victoria and District Basketball League want the Dominoes in the provincial play-downs. Their exhibition against Varsity had Vancouver sports writers tabbing them as the "hottest club in Canada."

With the question finally settled and everybody happy, we hope basketball fans will settle down and anxiously await future inter-city casaba fixtures preliminary to the provincial play-offs next Spring.

OAK BAY HIGH SCHOOL RUGGERS ARE STOPPED

After pushing aside all opposition in their battle for the Intermediate Rugby League championship, Oak Bay High School ruggers ran out their string of victories yesterday on the Fernwood Road playing field where a vastly improved Victoria High School fifteen held them to a scoreless draw.

Beaten in earlier contests, Victoria High School ruggers have come along in great style in their last two fixtures, and right at the moment give every indication of being in the thick of the fight for the second-half laurels.

Members of the Victoria High School team and their coach, Joe Roberts, former rugger star and McKechnie Cup player, are to be congratulated on their recent showings. Success in any line of endeavor does not come easily, and their improved performances in their last two matches demonstrate very conclusively that they have what it takes.

ODDS 'N ENDS

One of the city league basketball players walked home from the Victoria High School gymnasium last night in his playing togs. He had to. Somebody else walked off with all of his clothes while he was playing basketball. . . . Displaying some of his old-time form, "Busher" Jackson racked up 30 points in last night's senior "A" men's hoop encounter. . . . Coach Wally Yeaman's women hoopsters chalked up their initial win of the season at the expense of Rookies at the Victoria High School gymnasium last night. . . . Coach Ivan Temple's Hudson's Bay fair sex cagers visited Patricia Bay last night for an exhibition game with the R.C.A.F. (W.D.). Temple, intent on retaining the city championship, is booking all available fixtures in addition to league games. . . . Victoria's future citizens are displaying a keen interest in the move to revive amateur boxing. Those wishing to take advantage of the free instruction being offered by the Victoria Amateur Boxing Club are advised to forward their names to this sports department as soon as possible.

Dominoes, Eagles And Rookies Mark Up Hoop Victories

Former Squad Trounces K.V.'s, 72-38—Birdmen Defeat Sailors, 48-34—Unitys Lose

Once more shooting with uncanny accuracy, Dominoes took their third straight game from an outclassed K.V.'s club, 72-38, in a senior "A" basketball tilt at the High School gymnasium last night. In preliminary games Eagles took the measure of the hard-fighting H.M.C.S. Uganda, 48-34, in a senior B fixture and Bob Whyte's Rookies registered their first game in the women's section when they handed the [illegible] winless Unitys a 21-20 setback.

[illegible] men until late in the final quarter when Andrews replaced Straith who twisted an ankle, Dominoes were much too good for their inexperienced opponents and to make it doubly difficult [illegible] them with another display of [illegible] leading, sinking an unusually high percentage of shots. K.V.'s played better basketball than in their two previous outs against the Dominoes but never had a chance.

Dominoes were off to a fast start in the first quarter when they hung up 23 points. K.V.'s made their best showing in the second and third period when they were only outscored by six points but the winners pushed up 24 points in the final ten minutes for their final 34-point margin.

Hitting the basket from all angles, Busher Jackson paced the Dominoes with 30 points with Norm Baker forming the other half of a high-scoring combination to account for 22.

Led by Gordon Hartley and Stan Davies with 17 and 12 points, respectively, Eagles took a 26-15 lead over the sailors at half time and increased their margin to 14 points at the three-quarter mark. Losers fought back in the final period and managed to match the Eagles' scoring efforts. Francis topped the scoring for the inexperienced sailors with 12 points.

With this season's club probably the weakest that has sported their colors, Unitys failed to hold a first-quarter lead against the Rookies, who were winless until last night, and gradually dropped back in the final three periods to absorb their licking.

Teams and scores follow:

Dominoes: Andrew 1, Baker 22, Jackson 30, Wright 8, Straith 10, McKeachie 1. Total 72.

K.V.'s: Anderson 7, Castner 5, Wood, Ranson 8, Stewart 5, McKay 7, Long 2, Trace 4. Total 28.

Painter Bros. Beat Leaders

With the first half of the schedule nearing completion, last matches in the senior division of the Victoria Table Tennis Association were featured by the first defeat inflicted on the leading Lake Hill Canteen. Painter Bros. turned the trick, 21-15, with Bill Cotton leading the way as he made a clean sweep of all eight games. Other battles saw Robinson's Grocery and MacDonald Electric in close 19-17 triumphs over the Aces and Giants, respectively, while Comets measured Gonzales, 21-15.

The strong Oak Bay Produce team continued their hot pace in the junior division by swamping the Senators, 25-11. Cave Printing, Jokers and Lake Hill were victorious in other matches.

New Laurels for Versatile Canadian Athlete

Honorably discharged from the United States Army recently, Muzz Patrick, star defenceman of the New York Rangers hockey team, gets a commendation from Brig.-Gen. John Reed Kilpatrick in a simple ceremony at Madison Square Garden, New York. His dad, Lester Patrick, is looking on. Muzz, one of the greatest all-round athletes in Canadian history, was in uniform for more than four years, part of which time he served as athletic officer at Hampton Roads port of embarkation. Muzz' full name, forgotten by most of his admirers, is Frederick Murray Patrick. It would take a volume to list his athletic achievements.

50 Thoroughbreds Are Eligible for King's Plate Race

TORONTO, Nov. 28 (CP)—The Ontario Jockey Club announced tonight 50 thoroughbreds still are eligible for the 1946 running of the $10,000-added King's Plate at Woodbine Park next May following payment of $15 by the November 1 deadline.

Nominees for the three-year-old [illegible] continuously run since 1860 are 24 colts, 20 fillies and six geldings.

All the stars of 1945 juvenile racing in Ontario are still in the list including Parkwood Stables' Kingarvie, winner of eight straight races including Ontario's triple crown for juveniles, the Coronation Stakes, Clarendon Plate and Mrs. Orpen's Cup and Saucer.

Kingarvie, chestnut son of Teddy Wrack-Forsworn, won slightly in excess of $20,000 in ten starts, highest earnings ever recorded by a Canadian-bred juvenile.

Western nominees include Sneak Lead, bay filly owned by Dr. L. H. Appleby, of Vancouver, and Jessefield, from the Whittier Park Stock Farm, of Winnipeg.

K.V.'s Will Meet Seattle Cage Quintette Saturday

Locals to Oppose DeMolay Hoopsters in Inter-City Tilt at High School Gymnasium

Making their entry into senior A basketball this season with a promising group of youngsters up from intermediate A and B ranks, K.V.'s will engage in their first inter-city game on Saturday when they clash with Seattle DeMolays at the High School gymnasium.

Although not able to match strides with the potent Dominoes, K.V.'s have a fast group of youngsters who figure to improve with competition against better clubs and should give the Seattle five an interesting evening.

DeMolay, composed of a [illegible] team from senior high school players in Seattle, are certain to floor a clever club and cage fans can rest assured that the contest will provide some sparkling play with the senior stars of tomorrow battling it out.

[illegible] good card local [illegible] have not had the [illegible] Bent[illegible] [illegible] who boast such stars as Vic Dale, Leon Hall, Norman Parfitt and Sonny Walker look to be the class of the senior "B" loop. Further strength may be added with the appearance of Ollie Goldsmith, who is rumored to be in the fold.

Brentwood Aces, with a line-up of [illegible] who have seen action in the intermediate groups, have been a tough club to beat this season. Hal Yardley and Honnie Benn are the top [illegible] with Bill and Whitey Turner and the veteran Charlie Sluggett hitting the hoop consistently to round out a high-scoring quintette. First game will get underway at 7.30 p.m. with the feature billed for 8.45 p.m.

League Rugby Game Ends in Scoreless Tie

Failing to show their [illegible] Oak Bay High School [illegible] held to a scoreless draw by a fighting Victoria High School fifteen yesterday on the latter's home [illegible].

Facing a team much improved since their last encounter, Oak Bay was unable to make use of the few advantages which fell to them, nor was Victoria High able to score on the numerous rushes they made into Oak Bay territory.

Sparked by the runs of McNeill, Brown and Stephenson and the good ball-handling of the scrum, Oak Bay threatened during the first half but were turned back once from the one-yard line by the almost impregnable Victoria High defence. Then play swayed from half to half until the midway whistle blew.

From the beginning of the second [illegible] Victoria High obtained a slight edge on play and Joyce and Murdoch drove the ball well down the field. However the Victorians were driven back and though fighting hard prevented from scoring. Both teams were hampered by the gathering dusk which made it difficult for the backfields to see who had the ball but Victoria High managed to keep it [illegible] Oak Bay [illegible] [illegible] the final whistle. Oak Bay drove deep down the field and [illegible] kick almost crashed [illegible] after the last whistle blew.

Both teams were [illegible] weakened by the [illegible] McNeill of Oak Bay [illegible] [illegible] [illegible] injured leg but Hone[illegible] who after playing very good ball all through the first half received a broken arm immediately after the start of the second half.

LINE-UPS

Victoria High School: Tait, McKiller, Thompson, Murdoch, Smythe, Joyce, Dobbie, Honestchuk, Mitchell, Walker, Oberg, Lea, Millard, Rickerby, Jones, Cleeri.

Oak Bay High School: Waters, Pratt, McNeill, Brown, Main, Bates, Prestwerck, Stephenson, Beaton, Burland, Roberts, Estlin, Davenport, Hill, Sheffield.

Dynamos and Rangers Play To 2-2 Draw

GLASGOW, [illegible] Moscow Dynamos and Glasgow Rangers battled to a 2-2 draw here today in an international exhibition soccer game featured by rough play and short tempers on both sides.

Ninety thousand spectators jammed Glasgow's Ibrox Park stadium to see the touring Soviet team meet the best club in Scotland.

Innumerable free kicks, most of them against the Scots, marked the contest as the Rangers produced a rugged brand of football in their effort to succeed where top English and Welsh teams had failed. Vigor was the keynote of the Scottish attack and officials penalized the Rangers often for close-to-the-line tactics.

Several Rangers lost their tempers and at times only interference by colleagues prevented blows. One player from each side was taken out of the game with injuries.

Under British rules the Russians often were to blame for holding, taking the man and not the ball out of play and body-checking heavily. However it was felt their methods were the result of their normal style of play and were not the outcome of any deliberate intent to foul.

The game saw little sparkling play although the Dynamos appeared to be by far the more clever players.

Jacobs Plans to Stage Title Bout At Los Angeles

NEW YORK, Nov. 28 (AP)—Boxing Promoter Mike Jacobs said today he planned to stage one of two heavyweight championship bouts next Summer in the Los Angeles Coliseum.

Joe Louis and Billy Conn are signed for a title fight in June at an unnamed site but Jacobs refused to say whether the scrap will be staged in California.

"I'm going to put one of the two heavyweight scraps in Los Angeles," said the 20th Century Sporting Club president, "but I don't know yet whether it will be the first one or the second one."

Top Rider Injured

Job Dean Jessop, 19-year-old Nibley, Utah, jockey who is the leading rider in the United States at the moment, was injured in a spill at Sportsman's Park but is expected to be back in the saddle again in the near future. Jessop, who had four winners a day for three days before he was injured, has been aboard 268 winners this year and needs but 34 more to crack the all-time American jockey record of 301 set by Jackie Westrope in 1933.

Seattle Wins Coast Hockey Fixture, 4-3

SEATTLE, Nov. 28 [illegible] San Francisco's cagey young[illegible] kept pace tightly with Seattle's veteran Ironmen of the Pacific Coast Hockey League tonight but succumbed 4-3, on a goal flipped home by Spare Wingman Jenkins late in the final period.

Goalie Kavanaugh had [illegible] batted away a Seattle shot and fallen flat with the effort, Jenkins lifting the puck into the twine over Kavanaugh's body.

Wray of the invaders had knotted the tally at 2-all some three minutes earlier on a long blast, the rubber hitting Seattle Goalie Al Robbins and hopping around his shoulders like a frightened squirrel before dropping into the net.

SUMMARY

First Period—1, San Francisco, Buchanan, 9.45; 2, Seattle, Coombs, 14.26. Penalties, Milford, Lilley.

Second Period—3, San Francisco, Evans (O'Hara), 4.22; 4, Seattle, Dotten (Campbell), 10.30. Penalties, Simpell, O'Hara.

Third Period—5, Seattle, Milford (Robinson), 5.01; 6, San Francisco, Wray, 10.02; 7, Seattle, Jenkins, 13.29. Penalties, Milford, Simpell, Dartnell, Grinke.

Jack Shill Paces Bruins to Victory Over New Yorkers

Registers Three Goals as Bruins Turn Back Rangers by 5-1 Score—Chuck Raynor Injured

HOW THEY STAND

	W	L	T	Goals F	Goals A	P
Canadiens	8	4	0	44	33	16
Detroit	7	4	0	37	25	14
Chicago	6	1	1	46	41	13
Boston	6	3	1	38	34	13
Toronto	3	9	1	35	51	7
Rangers	3	9	1	26	47	7

Last night's score: Boston 5, Rangers 1.

Next games, Saturday: Rangers at Canadiens, Chicago at Toronto.

BOSTON, Nov. 28 (AP)—A three-goal scoring performance by Jack Shill paced Boston Bruins to a 5-1 victory over New York Rangers and moved them into a third-place National Hockey League tie with Chicago Black Hawks tonight before a [illegible] 13,000 crowd at the Boston Garden.

Shill broke a 1-1 tie with an unassisted goal late in the second period and ended the game's scoring with less than five minutes to play.

The vastly improved Rangers gained first blood midway through the opener when Mac Colville deflected a [illegible] shot off one of defenceman Pat Egan's skates on a play launched by rookie Edgar Laprade.

Jack McGill's first counter of the season, registered on a passout from Woody Dumart, deadlocked matters during the second minute of second period play. From then on, despite their fast and aggressive tactics, the blue-shirts were held under a [illegible] back [illegible] the Paul Bibeault, who was given exceptional support by defenceman Murray Henderson.

Shill's second counter came late in the second session, while he was rushing with Don Gallinger and Hep Guidolin and before he collected his No. 3 Gallinger nudged in Egan's blistering 40-footer.

The veteran Bill Cowley, who appears at the top of his game in this his eleventh season, made many valiant attempts to collect the 500th point of his major league career. But that was denied him by Chuck Raynor who played the entire game in the New York nets, despite the fact that he suffered a cut over his left eye during the early action.

SUMMARY

First period—1, New York, M. Colville, 10.00. Penalty, Henderson.

Second period—2, Boston, McGill (Dumart), 1.36; 3, Boston, Shill, 1[illegible].16; 4, Boston, Shill (Gallinger, Guidolin), 18.12. Penalties, Henderson, Juzda, Guidolin.

Third period—5, Boston, Gallinger (Egan, Guidolin), 15.16; 6, Boston, Shill (Gallinger), 1[illegible].42.

Mainland "Reps" Will Be Called Vancouver Lions

VANCOUVER, Nov. 28 (CP)—The Vancouver team in the McKechnie Cup series got [illegible] a name. Although the cup has been in competition [illegible] more than 40 years, the Vancouver squad has always been called the "Reps." Today they were named the Vancouver Lions. When they [illegible] their [illegible] of this [illegible] battle at Victoria on December 29, it will be the [illegible] time that the team has gone into a game with a distinctive name.

DAVIS CUP TENNIS

NEW YORK, Nov. 28 (AP)—The Philippine Islands have entered a challenge for the Davis Cup in 1946 and have elected to play in the American zone, Walter L. Pate, chairman of the Davis Cup committee of management for the American zone, said today.

TOAST and TEA

By J. V. McAREE

Most people have forgotten if ever they knew that Thackeray had Parliamentary ambitions and actually contested the city of Oxford as a Liberal. He was defeated by a small majority, and the cause of his defeat was his broadminded attitude toward opening art galleries, museums and libraries on Sundays. He referred to the cause when he made his speech acknowledging his defeat, and congratulating the victor, Edward Wardell. Said Thackeray: "I knew when I came into this town there was one dangerous point which would most assuredly go against me with the great body of electors, but I was not afraid to avow my principles. I am contented to return from Oxford with the conviction that I have suffered because I tried to help the poor man to some harmless recreation on his day of freedom." The Times urged Thackeray to console himself with the reflection that "the collective House of Commons could not write 'Barry Lyndon' or 'Vanity Fair.'"

Hillbilly Comedy Comes to York

"I'm From Arkansas," opening today at the York Theatre, is filled with humorous situations and dialogue such as has seldom been seen or heard in motion picture palaces and it is easily understood. P.R.C.'s current comedy has the largest battery of comedians and comediennes ever assembled for one opus. All the funny people are standard names, too—Slim Summerville, El Brendel, Al "Fuzzy" St. John, Cliff Nazarro, also Carolina Cotton, Maude Eburne, Iris Adrian, Arthur Q. Bryan, Flo Bert and Danny Jackson.

"Mark Twain," Starring Alexis Smith at Cadet

Researchers at work preparing Warner Bros.' "The Adventures of Mark Twain," starring Fredric March and Alexis Smith, opening today at the Cadet Theatre, discovered that a biography of the humorist was issued in the late '80s by a tobacco company, a copy going with each package. It was believed to be the first biography of the writer.

The supporting cast of this very entertaining picture includes Alan Hale, Donald Crisp and John Carradine.

CAPITOL THEATRE "Anchors Aweigh," which is now playing at the Capitol Theatre, is a 21-gun Technicolor salute from Metro-Goldwyn-Mayer. One of the most delightful musicals of the season, it boasts a co-starring trio of Frank Sinatra, Kathryn Grayson and Gene Kelly, a host of elaborate production numbers, a highly amusing story and a grand supporting cast.

DOMINION THEATRE Director Delmer Daves took stars John Garfield and Eleanor Parker to Philadelphia to film scenes for Warners' "Pride of the Marines," which ends tonight at the Dominion Theatre, for authentic [illegible] "Pride of the Marines" are Warren Douglas, Ann Todd, Rory Mallinson, Stephen Richards, John Sheridan and John Miles.

ATLAS THEATRE Boasting one of the top casts of the year, Metro-Goldwyn-Mayer's "The Valley of Decision," now at the Atlas Theatre, is a vivid and exciting film version of Marcia Davenport's best-selling novel. Co-starring an outstanding new romantic team in Greer Garson and Gregory Peck, the film also offers such sterling performers as Lionel Barrymore, Donald Crisp, Marsha Hunt and Preston Foster.

Amusements

ON THE SCREEN

- **Atlas**—Greer Garson and Gregory Peck in "The Valley of Decision."
- **Cadet**—"The Adventures of Mark Twain," starring Fredric March and Alexis Smith.
- **Capitol**—Frank Sinatra and Gene Kelly in "Anchors Aweigh."
- **Dominion**—"Pride of the Marines," with Eleanor Parker [illegible]
- **Oak Bay and Plaza**—Irene Dunne and Alexander Knox in "Over 21."
- **Rio**—"Rustlers of the Badlands," starring Charles Starrett.
- **York**—"I'm From Arkansas," starring Slim Summerville.

OAK BAY AND PLAZA THEATRES Charles Vidor told Jeff Donnell three years ago, after her initial screen tests, that some day she would be in one of his pictures. Now Jeff has the ingenue role opposite Loren Tindall in "Over 21," which Vidor directed and which currently co-stars Irene Dunne, Alexander Knox and Charles Coburn at the Oak Bay and Plaza Theatres.

CAMBRIDGE, England (CP)—Miss Janet Campbell Allen, known as the "Rich Old Lady of Cambridge," died at 92 leaving more than £28,000 ($126,000). Her servant inherits £3,000 ($13,500).

Motor Accidents Show Increase

During October, 675 motor vehicle accidents, in which eight persons were killed, 310 were injured and property damage reached $96,538, were reported to provincial police, continuing the high accident rate which has followed the cessation of gasoline rationing.

In the same month last year there were 431 accidents in which three were killed, 185 were injured, and property damage amounted to [illegible] superintendent of the motor vehicle branch reported yesterday.

Deaths increased 166 per cent, injuries 67.5 per cent, and property damage 99.3 per cent. Number of accidents gained 52.4 per cent.

Gasoline consumption advanced 42.9 per cent.

Seeking to pin down the cause of the increasing accident rate, officials in charge suggest poor mechanical condition of many cars which have been long on the road, together with less care by drivers and increased traffic.

Vancouver Forecast

Mostly cloudy with rain showers. Little change in temperature.

LONDON (Reuters)—Prime Minister Attlee set an example in self-imposed "price control" when he decided to sell his home at Stanmore, Middlesex, after 15 years there. A Ministry of Health expert valued the home at about £5,000 ($22,500), a valuation accepted by Mr. Attlee.

Residents Favor New Bus Service

Residents of the Fairfield and Gonzales districts lost no time in acquainting themselves with their new transportation facilities as B.C. Electric Railway Co. Ltd. buses started rolling early yesterday morning with a 15 and 20-minute service at varying periods of the day.

When the final trip was made last night more than 1,000 passengers had been carried, all of whom were pleased to see the line finally in operation.

Some confusion existed among the passengers in getting used to the alternate sections of the circuit, and some in the vicinity of Vancouver and Richardson Streets made the mistake of taking the Fairfield bus, necessitating a ride around the whole loop before reaching their destination.

B.C. Electric officials explained that the buses for each section leave at 15-minute intervals from the depot at the rear of the company's store at Pandora Avenue and Douglas Street. This means that a bus actually leaves the depot every seven and one-half minutes.

The Fairfield-Gonzales bus proceeds via Douglas Street, Humboldt Street, Rupert Street, Southgate Street, Cook Street, Oscar Street, Linden Avenue, Dallas Road, Moss Street, George Street, Bushby Street, Memorial Crescent, Fairfield Road, St. Charles Street, Ross Street to Crescent Road and the terminus.

The Richardson-Gonzales bus proceeds via Douglas Street, Humboldt Street, Blanchard Street, McKenzie Street, Vancouver Street, Richardson Street, Moss Street, Carnsew Street, Richardson Street, St. Charles Street, Despard Avenue, Richmond Road, Quamichan Avenue, Foul Bay Road to the Crescent Road terminus.

In town passengers are picked up at all intersections, and in the residential areas at the specially designated stops marked on poles.

Ruling to Govern Vacation Leave

Vacation and special leave for civil servants will henceforth be governed by new regulations set out in an order in council approved by the Cabinet this week.

Except on approval of the Civil Service Commission any vacation leave other than that specifically authorized by the Civil Service Act will not be granted.

In cases where vacation leave is withheld in the interests of the service it may be carried over into the following year but not more than two periods of vacation leave may be granted in any one calendar year.

Civil servants who have served more than 10 years may, with consent of the Commission, obtain up to 18 days leave excluding Sundays and statutory holidays.

On Trial at Assizes

Trial of Mrs. M. Finnemore, charged at the Fall Assizes yesterday with retaining stolen goods, will be continued today at 10.30 a.m. before Mr. Justice J. M. Coady. R. D. Harvey, K.C., is Crown prosecutor, and the defence is being conducted by Joseph McKenna. Mr. Harvey explained the Crown would attempt to prove that on May 18 Mrs. Finnemore had a number of articles in her possession, and that they had been stolen from Mrs. M. V. H. Orton, who resided on Chambers Street prior to Christmas 1939, at which time the articles were stolen.

Members of the jury are F. J. [illegible], foreman; A. O. Luney, F. W. [illegible], R. Tait, S. Terenzek, R. Waddell, H. S. Jones, L. H. Greene, G. Knight, J. K. Ellis, O. M. Scott and A. Ogden.

Assaulting Chinese Waiter Brings Fine of $40 in Court

Jack O'Hara was convicted in city police court yesterday on a charge of assaulting Chu Bing Hoy, a waiter, and causing grevious bodily harm. He was fined $40, with an alternative of serving 15 days in jail.

The Chinese told the court that O'Hara struck him in the [illegible] and five teeth were later taken out by a dentist. The incident occurred at the Mandarin Cafe early on the morning of November 4.

O'Hara testified that he had gone to the restaurant for a meal, and had been joined there by two men and a woman who came in while he was waiting for his meal. George A Henn, one of the men, said that the proprietor had refused to serve them in claiming they had been drinking. He stated a general melee occurred when he attempted to push his way past four or five Chinese blocking his way.

Chu Bing Hoy came towards him [illegible] his open hand and warded him off, O'Hara testified.

William E Bradburn was found guilty on two charges of knowingly making false statements he was unemployed for the purpose of obtaining unemployment insurance. Magistrate H C Hall imposed sentences of ten days on each charge, with the terms to run concurrently.

DANGEROUS DRIVING BRINGS $25 FINE

Stuart Weston pleaded guilty to a charge of driving in a manner dangerous to the public at Blackwood Street and Kings Road on November 24. He was fined $25.

A sailor pleaded guilty to a charge of intoxication and was fined $25. Bail of $25 was estreated in a second charge of intoxication when a man failed to appear. An Indian girl charged with vagrancy was remanded until the morning [illegible]

Magistrate Hall pressed an Indian girl who pleaded guilty to a charge of intoxication to tell where she had obtained the liquor. She stated she obtained it from a sailor, but told the court she did not know his name.

Two persons admitted having no radio licences, and were each fined $1 and ordered to pay costs of $2.50.

Three motorists admitted they failed to give hand signals before turning, and were each fined $5. Penalties of $5 were also imposed on charges of having no driver's licence, failure to halt at a stop sign, and driving through a red light. A motorist pleaded guilty to a charge of exceeding the speed limit in a school zone and was fined $10. Twelve drivers each paid fines of $2.50 for infractions of parking regulations.

City and District

Requests Shells—John W Dixon, a Hamilton, Ontario, veteran who makes jewelry from sea shells, has written to Mayor Percy E George requesting his aid in obtaining five or six pounds of shells from this district.

Suggests Fund—Suggestion that a fund to help purchase food supplies for the starving people of Europe through U N R R A, was made yesterday by Mrs Millicent I Sunecov, Atlas Mansions, in a letter to Mayor George.

Army Hats—Plans to take over remaining army hutments in Greater Victoria to relieve the housing shortage will probably be discussed by J G Walker, Emergency Shelter head for British Columbia, when he arrives here from Vancouver today.

Street Light—A V Pearce, 34a Bela Street, wrote to the City Council yesterday requesting installation of a street light at the corner of Bela and Alpha Streets. "A walk along these streets after dark would prove my complaint, as it is too dark for comfort," Mr Pearce stated.

Christmas Mail—More Christmas mail went to civilians overseas and less to servicemen this year, resulting in almost the same total volume as in 1944, it was reported yesterday by G H Gardiner, postmaster. He predicted that local mail would reach the same proportion as in 1944, which was a peak year.

Best Birds—A white Leghorn cockerel, owned and exhibited by Arthur Adams, Lake Hill, was judged best bird at the annual show of the Vancouver Poultry and Pet Stock Association last Sunday. Award for the best opposite sex went to a brown Leghorn pullet shown by J L Laing, Bracfoot Estate.

Tourist Resorts—Possibility of sites being reserved along the Hope-Princeton highway route for war veterans to set up tourist resorts, is being discussed in the South Okanagan. The proposal was made at a meeting of the regional advisory committee of the Postwar Rehabilitation and Reconstruction Bureau, held last week at Penticton.

Regiment Has Silver Plaque for Royal Scots

SHOWN in the above photograph is a silver plaque to be presented to the Royal Scots in London on December 6 by the 1st Battalion the Canadian Scottish Regiment, "in appreciation for taking care of our mascot during battle in the Northeast European theatre, 1944-45." Prominent on the plaque is the figure of "Wallace," the famous mascot of the battalion.

According to information from W H McAdam, Agent-General for British Columbia at London, at a luncheon to be given by the Lord Mayor of London, Lt.-Col L S Henderson, DSO, ED, officer commanding the 4th Battalion, Canadian Scottish Regiment, will present the plaque to H.R.H. the Princess Royal, Colonel-in-Chief of the Royal Scots. She will in turn present to Lt.-Col Cyril Wightman, O.C. of the 1st Battalion, Canadian Scottish Regiment, who will bring the battalion home to Victoria on December 29, an oil painting on behalf of the Royal Scots.

"I have great hopes that the ceremony will be broadcast by the C B C," Mr McAdam wrote. "I have already contacted Gerry Wilmot and I trust that in due course I will be able to give you further details. Arrangements will also be made for complete coverage with photographs. I have every reason to believe this will be one of the most outstanding events in the history of the Canadian Scottish Regiment."

Pamir Passes—After being delayed by fog in the Strait of Juan de Fuca since Sunday, the Canadian-Australasian Line four-masted bark Pamir cleared William Head Quarantine Station for Vancouver early yesterday morning. The vessel took 67 days from Wellington, New Zealand. She left in tow of the Island Warrior, of the Island Tug and Barge Limited.

Welfare Cases—The total spent on welfare cases in the city to the end of September was $107,586.78, Alderman F G Mulliner, chairman of the welfare committee, said yesterday. There are 1,545 cases on the books of the city welfare office and 460 received active assistance during September. Old age pensioners are the largest group handled by the city, with 1,181 listed and 286 receiving attention in September.

Osoyoos Vote—Osoyoos will vote on December 1 on incorporation as a village municipality, the date having been set by H Houck, returning officer. Comox area will take a similar vote shortly. Oliver recently voted 82 to 30 for incorporation. Formation of an improvement district under the Water Act, to obtain an improved waterworks system is under consideration by the Courtenay-Comox-Royston area.

Fire Barge—W C Mainwaring, Chairman of the advisory council of the provincial civilian protection committee, yesterday notified the City Council he had asked Hon. Ian Mackenzie and R W Mayhew, M.P., to support Victoria's request that the fire barge Louisa be turned over to the city as a gift by the Dominion Government. Mr Mainwaring is also supporting similar action for Vancouver's fire barge. The two barges have been turned over to the War Assets Corporation for disposal, with priority granted to the two cities in purchasing them.

Alderman B J Gadsden requests re-election on December 13. ***

Europeans in Desperate Need U.N.R.R.A. Official Asserts

People of Europe are desperate and in need of absolutely everything, George S Mooney, Montreal, chief executive officer of the administrative council, United Nations Relief and Rehabilitation Administration, told the Canadian Club at a luncheon meeting yesterday in the Empress Hotel.

[illegible] show gratitude for Europe's effective resistance to German occupation, for common humanity or Christian decency, and for enlightened self-interest toward re-establishing normal trade and commerce with Europe.

Food is the answer to continuing peace in Europe, he said, pointing out that the continent needs a "breathing spell" until the 1946 harvest.

He stated that France is experiencing her worst winter. In Belgium and Czecho-Slovakia, employment opportunities are opening up with economic life beginning to unfold.

Dutch civilians will suffer this Winter, he said, as a large part of the country, inundated when dikes were breached, will not be dry and in production for five years. Poland is desperate, being ridden with [illegible] economy ruined, he asserted.

Mr Mooney paid great tribute to the people of Yugoslavia who are now starving because of their courageous "scorched-earth" policy. But all Europe, he stated, will go hungry. City dwellers will exist on 1,200 calories per day while Canadians continue to consume 3,450 calories per day.

Great Britain will not have as bad a time as the continent, Mr Mooney pointed out, but table fare will be no different from that of the previous four Winters, and Britons are no longer ashamed of shabby clothing.

Mayor Percy E George introduced Mr Mooney as a faculty member of Sir George Williams College, Montreal, and a prominent Canadian economist. Major H. Cuthbert Holmes, president of the Chamber of Commerce, thanked the speaker. Col Eric Pepler presided.

Set Inquest—An inquest will be held at 7.30 p.m. today into the death of James MacKay, 54-year-old employee of Bloedel Stewart [illegible] Central Lake mill near Port Alberni. He was killed at 11 p.m. Monday when a load of lumber fell on him, according to information reaching provincial police headquarters here.

LONDON (CP)—Proposals for an international university from which lectures could be broadcast to students all over the world is to be discussed at the United Nations Education Conference.

Dickie Will Retire From Active Play

MEMPHIS, Nov. 28 (AP)—Lieut. William M. (Bill) Dickey expects to doff his navy blue in a couple of months but says he probably won't replace them with the familiar mask and shin guards.

At 38, New York Yankees' veteran catcher is planning to retire from active play.

"I haven't made any plans yet," the drawling Arkansan asserted today, "but I doubt that I'll do any more catching.

"I haven't played any baseball in two years, you know, and that's a long layoff for an old guy like me."

Dickey has just returned after serving 15 months as athletic director of the United States naval program at Pearl Harbor. He expects his discharge around the first of the year.

"I helped organize baseball and a lot of other sports out in the Pacific," Dickey said. "I was kept so busy I didn't get a chance to play myself."

He said he was not sure he would stay in baseball but added "I'd like to, if I could find the right spot."

The strapping receiver began his career with the home-town team at Little Rock in 1925. In 1928 he joined the Yankees and then followed 16 stout years with one of the game's most fabulously successful teams.

Dickey played in eight world series and ten times was named a member of the American League's all-star team. He caught in 100 or more games for 13 consecutive seasons.

In 1943, his last season with the Yankees, he played in 85 games and hit .351.

Hollywood Turns Back Vancouver

HOLLYWOOD, Nov. 28 (AP)—The Hollywood Wolves upset the league-leading Vancouver Canucks 5-2 tonight in a fast free-swinging Pacific Coast Hockey League contest before 5,000 fans.

After spotting the Canucks a goal in the first period, the Wolves roared back to tally twice in the second stanza and clinched the game with three goals in the final period.

SUMMARY

First period—1, Vancouver, Bathgate (Clovechuk), 16.53. Penalty: McLean.

Second period—2, Hollywood, Bellinger (Klein), 8.47. 3, Hollywood, Klein (Schultz), 14.55. Penalty: Gray.

Third period — 4, Vancouver, Carse (Neilsen), 8.20. 5, Hollywood, Bellinger (Hilliard), 8.34. 6, Vancouver, Bathgate, 12.06. 7, Hollywood, Klein (Gracie, Bellinger), 12.06. 8, Hollywood, McGibbon (Brayshaw), 16.43. Penalties: Carse, Clovechuk, Hilliard, Bariko.

Dempsey Anxious To Break Into Big Time Hockey

MONTREAL, Nov. 28 (CP)—Jack Dempsey, who arrived here today to referee a wrestling match, tonight met Mervyn (Red) Dutton, president of National Hockey League, but neither would reveal details of the meeting.

It is reported, however, that Dempsey is interested in constructing a big mid-town arena in New York and is anxious to obtain the idle charter of the Brooklyn Americans.

Dempsey said hockey was going to be "terrific" on the Pacific Coast and new arenas would be built in Los Angeles and San Francisco before long.

"It's a great game and the American people like it," he added.

CLUB FILES PAPERS

OLYMPIA, Wash., Nov. 28 (AP)—The Bremerton Baseball Club, the navy yard city's new entry in the Western International League, filed incorporation papers today. Listed as incorporators were Willie W. Shepherd, Frank Plouf, Leo Haskell and P. E. Devaney, all of Bremerton. Bremerton will be in the W.I. League for the first time when play starts next season.

Sacramento Solons Claim Hal Turpin

SEATTLE, Nov. 28 (AP).—Vice-President Torchy Torrance, of the Seattle Rainiers baseball team, said tonight Sacramento Solons, of the Pacific Coast League, apparently had claimed 41-year-old Pitcher Hal Turpin for the waiver price of $2,500.

He said waivers had been asked some time ago on the Seattle veteran and the deadline passed at 4 p.m. today with-[illegible] other Coast League teams waived.

Turpin, after two previous short trips with the club, came to Seattle to stay in 1937. He broke into professional baseball with San Francisco in 1927, and has played with Portland and clubs in other minor leagues.
